In Memoriam

Before reviewing the year's operations, the Board of Directors wishes to pay a profound homage to our late Chairman, **Mr.Prakash Kulkarni**, who passed away in January, 2026. As our **Founder and Promoter**, he was the visionary force behind the inception of this Company, nurturing it from its very roots with tireless dedication. Having served with distinction since its founding, his legacy is woven into the fabric of our organization. We stand committed to honoring his memory by continuing the mission he so passionately championed.

In honour of his commitment to transparency and growth, we now present the performance of the Company.

Balance Carried Forward to Balance Sheet	5,526.85	4,440.91
Proposed Dividend for FY 25-26	102.00	--

2. OPERATIONS AND FUTURE PROSPECTS:

The financial year under review impules us to remind everyone about the impending threats posed by the war situation in the Middle East which has disturbed the global economies. The current global economic landscape presents unprecedented challenges that have, in one way or another, impacted every industry and organization worldwide.

Over the past year, we have faced severe macroeconomic headwinds, driven primarily by intense exchange rate volatility and critical supply constraints in essential commodities like crude oil and edible oil. Collectively, these factors have fueled persistent inflationary pressures globally, driving up operational costs and squeezing margins. India is no exception. Inflation on all counts has touched the sky.

While our team is working tirelessly to navigate these turbulent waters and maintain operational resilience, we must remain realistic about the immediate future. Given these ongoing systemic pressures, the outlook for the Financial Year 2026/27 warrants caution, and it would be imprudent to expect an entirely rosy picture. We remain committed to mitigate these risks through strategic cost management and agile decision-making, and we deeply appreciate your continued trust and patience as we steer the company through this demanding cycle.

3. DIRECTORS & KEY MANAGERIAL PERSONNEL:

The Board comprises of 8 (Eight) Directors out of which 5 (Five) are Independent Directors, 1 (One) Executive Director, 1 (One) Non Executive Director, 1 (One) Non-Executive Woman Director.

Sr. No.	Name	Designation
1	Mrs. Prabha Kulkarni	Women Director – Chairperson w.e.f.12 th February, 2026

5	Mr. Sanjay Buch	Independent Director
6	Mr. Niraj Shirgaokar	Independent Director
7	Ms. Rama Kirloskar	Independent Director
8	Mr. Arjun Gadre	Independent Director w.e.f.23 rd May,2025
9	Mr. Suhas Kharote	Chief Financial Officer
10	Ms. Aishwarya Toraskar	Company Secretary
11	Mr. Mayur Mandlekar	Chief Executive Officer (CEO) w.e.f. 12 th February, 2026

- Pursuant to provisions of Section 203 of the Companies Act, 2013, Mr. Dilip Kulkarni, Managing Director, Ms. Aishwarya Toraskar, Company Secretary, Mr.Suhas Kharote Chief Financial Officer (CFO) and Mr. Mayur Mandlekar Chief Executive Officer (CEO) are the Key Managerial Personnel of the Company.
- Mr. Mayur Mandlekar has been appointed as the Chief Executive Officer (CEO) of the Company w.e.f. 12th February, 2026.

Declarations of Independence from Independent Directors

Company has received necessary declaration from each independent director under Section 149(7) of the Companies Act, 2013, that he / she meets the criteria of independence as laid down in Section 149(6) of the Companies Act, 2013 and Regulation 25 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.

The Board noted the dedication of Independent Directors to the Board, with regards to their integrity, expertise and experience including their proficiency.

Directors Retiring by Rotation

Mr. Dilip Kulkarni, Director (DIN: 00184727), retires by rotation as per the provisions of Companies Act, 2013, and is eligible to be reappointed as a Director of the Company in the forthcoming Annual General Meeting. The Board recommends his appointment.

Mrs. Prabha Kulkarni, Director (DIN: 00053598), retires by rotation as per the provisions of Companies Act, 2013, and is eligible to be reappointed as a Director of the Company in the forthcoming Annual General Meeting. The Board recommends her appointment.

4. DIRECTORS' RESPONSIBILITY STATEMENT:

To the best of their knowledge and belief and according to the information and explanation provided to them, your Directors, pursuant to Section 134(5) of the Companies Act, 2013, state that -

- In the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;
- the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent, so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the Company for that period;
- The Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- The Directors have prepared the annual accounts on a going concern basis;
- the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively;
- The Directors have laid down internal financial controls to be followed by the company and that such internal financial controls are adequate and are operating effectively.

5. AUDITORS:

- M/s. P.G. Bhagwat LLP Chartered Accountants Pune, Statutory Auditors of the Company.
- M/s. V Sreedharan & Associates Company Secretaries Bengaluru, Secretarial Auditors of the Company.
- M/s. A. S. Havaladar & Associates Chartered Accountants Pune, Internal Auditor of the Company.

The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013. The dates and related information is given in Corporate Governance Report, annexed to this Report at **ANNEXURE-IV**.

7. ANNUAL EVALUATION OF PERFORMANCE OF BOARD AND THAT OF ITS COMMITTEES AND INDIVIDUAL DIRECTORS:

During the year under review, the Board has initiated formal evaluation process for its own performance and of its own committees and individual directors, pursuant to Section 134 (3) (p) of the Companies Act, 2013 and Rule 8 (4) of the Companies (Accounts) Rules, 2014. Details of the evaluation mechanism are provided in the Corporate Governance Report. A meeting of Independent Directors was held on 12th February, 2026 for evaluation of Board performance.

8. NOMINATION AND REMUNERATION POLICY:

The Company has framed Nomination and Remuneration Committee to decide appointment and remuneration of Directors, Independent Directors and Key Management Personnel.

Salient features of the Nomination and Remuneration Policy are as follows:

- a) The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required.
- b) Remuneration is linked to performance.
- c) Ensuring that remuneration to Directors, Key Managerial Personnel and Senior Management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.
- d) The criteria for determining qualifications, positive attributes and independence of a Director.

The Nomination and Remuneration Policy of the Company is available on www.kpt.co.in pursuant to provisions of Section 178(4) of the Companies Act, 2013.

9. STATUTORY AUDIT REPORT:

With respect to Statutory Auditor's Report 2025-26, there are no qualifications, adverse remarks or disclaimers made by the statutory auditors on the financial statements of the company. The Company continues to have robust internal control system in place.

10. SECRETARIAL AUDIT REPORT:

SECRETARIAL AUDIT REPORT

[Pursuant to Sub Section (1) of Section 204 of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

For the Financial Year Ended March 31, 2026

To,

The Members

KPT Industries Limited

Gat No. 320, Mouje Agar, A/P & Taluka: Shirol - 416103

Dist. Kolhapur, Maharashtra

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **KPT Industries Limited** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's Books, Papers, Minute Books, Forms and Returns filed and other Records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the financial year ended on March 31, 2026 (the audit period) complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed, and other records maintained by the Company during the audit period according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Byelaws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment. There was no Overseas Direct Investment and External Commercial Borrowing by the Company during the period under review;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - (a) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (herein referred as SEBI (LODR) Regulations, 2015);
 - (b) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011(herein referred as SEBI (SAST) Regulations, 2015);
 - (c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; **(Not applicable to the Company during the audit period);**
 - (e) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 **(Not applicable to the Company during the audit period);**
 - (f) Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 **(Not applicable to the Company during the audit period);**
 - (g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 (up to December 14, 2025) and the Securities Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 2025 (from December 15, 2025) regarding the Companies Act and dealing with client;
 - (h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 **(Not applicable to the Company during the audit period);** and
 - (i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **(Not applicable to the Company during the audit period);**
- (vi) We have been informed by the management of the Company that the Company meticulously follows the provisions of other applicable laws pertaining to the industry to which the company relates and has devised requisite systems for their desired compliance.

We have also examined compliance with the applicable clauses of the following:

- a) Secretarial Standards issued by the Institute of Company Secretaries of India on Meetings of the Board of Directors and General Meeting.
- b) Listing Agreements entered into by the Company with BSE Limited.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc., as mentioned above.

We further observed that the Company pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with the Master Circular SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024 (subsequently superseded by the Master Circular HO/49/14/14(7)2025-CFD-POD2/I/3762/2026 dated January 30, 2026) should intimate to the stock exchange within 30 minutes from the conclusion of the Board meeting if there is any appointment of Directors. Mr. Arjun Gadre was appointed as an Independent Director of the Company in the Board Meeting held on May 23, 2025, and the said meeting was concluded at 01:30 PM. The Company was required to intimate the appointment by 02:00 PM but it has intimated at 05:51:31 PM which is after a few hours delay.

We have not examined compliance with applicable Financial Laws, like Direct and Indirect Tax Laws, since the same have been subject to review by statutory financial audit and other designated professionals.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors, subject to our explanation provided in point number (a) as mentioned above. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the Chairperson, the decisions of the Board were unanimous, and no dissenting views have been recorded.

Based on the review of systems and processes adopted by the Company and the Statutory Compliance self-certification by the Company Secretary of the Company which was taken on record by the Board of Directors, there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines as per the list of such laws as mentioned above in Point No. vi of para 3 of this report.

There are no events/actions that have a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines etc., during the audit period.

Auditor's responsibility

Based on audit, our responsibility is to express an opinion on the compliance with the applicable laws and maintenance of records by the Company. We conducted our audit in accordance with the auditing standards CSAS 1 to CSAS 4 ("CSAS") prescribed by the Institute of Company Secretaries of India ("ICSI"). These standards require that the auditor complies with statutory and regulatory requirements and plans and performs the audit to obtain reasonable assurance about compliance with applicable laws and maintenance of records.

Due to the inherent limitations of an audit including internal, financial and operating controls, there is an unavoidable risk that some misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the CSAS. Our report of even date is to be read along with this letter:

1. Maintenance of secretarial record is the responsibility of the management of the company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the company and for which we relied on the report of statutory auditor.
4. Wherever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the company.
7. We have conducted online verification and examination of records, as facilitated by the Company for the purpose of issuing this report.

ANNEXURE-VI

Management Discussion & Analysis Report 2025-26

1) INDUSTRY STRUCTURE:

Your Company is known for commitment to excellence and quality. Factory is located at South Western Maharashtra at Shirol, Dist. Kolhapur. The state of the art facility is dedicated in bringing up electric power tools, spares, control motors, blowers, and battery operated vehicles (E-cart) and many other engineering products.

Professional electric power tools for metal, wood, concrete, the new range of Shakti power tools for artisans to meet their everyday needs, garden tools, blowers for pneumatic conveying system, power plants, steel, effluent water treatment is our specialty over decades.

Your Company has undertaken a measured diversification within its power tools vertical by expanding into adjacent categories such as agricultural tools, hand tools, and welding machines. This approach is aimed at leveraging existing capabilities, distribution networks, and brand presence across related product segments.

This diversification is being pursued in a calibrated manner, with a focus on operational efficiency, product quality, and market acceptance. It is expected to support portfolio diversification and reduce dependence on a single product category, while remaining aligned with the Company's core competencies.

2) INDUSTRY OVERVIEW:

The engineering sector continues to be one of the largest segments of the industrial sector in India, contributing significantly to industrial output, employment, and exports. It accounts for a substantial share of the total factories in the industrial sector and continues to attract a considerable proportion of foreign collaborations.

The sector has witnessed steady development over the years, supported by investments in infrastructure, manufacturing, and industrial production. Its close linkages with core sectors such as infrastructure, power, transport, and manufacturing underscore its strategic importance to the Indian economy. Government initiatives aimed at improving ease of doing business, promoting domestic manufacturing, and enhancing infrastructure have provided a supportive environment, although growth remains subject to global and domestic economic conditions.

India continues to strengthen its position in the global engineering exports market, with a diversified export basket comprising transport equipment, capital goods, industrial machinery, and light engineering products such as castings, forgings, and fasteners. The Engineering Export Promotion Council plays an important role in facilitating and promoting engineering exports from the country.

While the long-term outlook for the sector remains stable, it continues to face challenges such as input cost volatility, supply chain disruptions, and competitive pressures from global and domestic players. The sector is also witnessing gradual shifts towards technology adoption, energy efficiency, and localization of manufacturing.

Overall, the engineering sector remains an important contributor to India's industrial growth, with performance closely aligned to investment cycles, policy support, and global trade dynamics.

3) DEVELOPMENTS:

The Company has very good opportunities because of the long term business relationship with valued customers both domestic and export and also in time supplies, superior quality products.

The Company continues its drive for sustainable growth in this growing domestic and international engineering industry. Considering the good distribution network, Company has poised for good growth.

4) OPPORTUNITIES AND THREATS:

For detailed explanation kindly refer Point no. 24 of the Board's report.

5) SEGMENTWISE & PRODUCTWISE PERFORMANCE:

The Company continues to maintain a stable performance across its key segments, viz. power tools, industrial blowers, and e-vehicles. The newly introduced verticals under the power tools segment are currently in the development stage. These segments are being scaled up in a phased manner and are expected to gradually contribute to market presence from the current financial year, subject to market conditions and acceptance.

6) OUTLOOK:

The outlook for the Company remains closely linked to prevailing macroeconomic conditions, including fluctuations in fuel prices, industrial activity, and overall economic environment. While higher fuel prices may support the long-term shift towards electric mobility, the pace of adoption is expected to depend on factors such as infrastructure development, cost viability, and market acceptance.

For the Company's broader product portfolio, comprising power tools, industrial blowers, and e-vehicles, demand is likely to remain influenced by sector-specific trends, capital expenditure cycles, and geographic market conditions. The Company continues to operate in a competitive environment and remains focused on improving operational efficiency, strengthening its product offerings, and expanding its market reach in a gradual and calibrated manner.

7) RISK AND CONCERNS:

For detailed explanation kindly refer Point no. 24 of the Board's report.

8) INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

For detailed explanation kindly refer Point no. 34 of the Board's report.

9) DISCUSSION ON FINANCIAL & OPERATIONAL PERFORMANCE:

For detailed explanation kindly refer Point no. 1 & 2 of the Board's report.

10) DEVELOPEMETS IN HUMAN RESOURCE, INDUSTRIAL RELATIONS FRONT , WORKERS EMPLOYED & THEIR WELFARE:

At your Company, we continue to provide a growth & innovation orientated environment. Continuous steps are taken to assure steady progress of the work force which ultimately will lead to the organization success. So, we consistently aim to provide a sustainable, work friendly environment for learning & educating our employees, right from joining stage followed by retention & retirement. There are 236 employees employed.

11) KEY FINANCIAL RATIOS:

In accordance with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, the Company is required to give details of significant changes (changes of 25% or more as compared to immediately previous financial year) in financial ratios are as follows:

Particulars	2024-2025	2025-2026	Increase/(Decrease)	Reasons for variance more than 25%
Interest Coverage Ratio	5.86	6.62	12.87 (times)	N.A.
Operating Profit Margin (%)	11.02	8.97	(18.60)	N.A.
Net Profit Margin (%)	8.39	6.94	(17.20)	N.A.
Return on net worth (%)	22.51%	16.35%	(27.37%)	Increase in material cost and overheads has resulted into reduction in profit.
Debtors Turnover Ratio	4.99	4.18	(16.11)	N.A.
Inventory Turnover Ratio	2.15	2.41	12.48	N.A.
Current Ratio	2.20	2.21	0.32%	N.A.
Debt Equity Ratio	0.33	0.32	(3.43%)	N.A.

12) DISCLOSURE OF ACCOUNTING TREATMENT:

The financial statements of the Company have been prepared in accordance with the applicable provisions of the companies Act, 2013, the Indian Accounting Standards (Ind AS) notified under Section 133 of the companies Act, 2013 read with the relevant rules framed thereunder, and other generally accepted Accounting principles in India. There has been no material departure from the prescribed Indian Accounting Standards in the preparation of the financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Members of **KPT Industries Limited**

Report on the Audit of the Financial Statements

Opinion

We have audited the Financial Statements of KPT Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of Material Accounting Policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its profit (including Other Comprehensive Income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

1. Trade Receivables:

The company has trade receivables of Rs. 4,902.74 lakhs at the year end (refer Note No. 4 to the financial statements) which amounts to 37.86 % of the total assets of the company. Timing of collection of dues from the customers may differ from the actual credit period. Significant judgment is required by the management to estimate the amounts unlikely to be ultimately collected.

The recoverability of the Companies trade receivables and the valuation of the allowance for bad and doubtful debts is a key audit matter due to the judgement involved.

Our audit procedure included, but not limited to following-

- We have Obtained an understanding and assessed the design, implementation, and operating effectiveness of the Company's key internal controls over the trade receivables including adherence to the requirements of the relevant Indian accounting standards.
- We performed audit procedures on existence of trade receivables, which included reading and comparing balance confirmations with books, testing subsequent receipts and sales transactions for the samples selected.
- Where there were indicators that the trade receivables were unlikely to be collected within contracted payment terms, we assessed the adequacy of the allowance for bad and doubtful debts. To do this :
 - We assessed the aging of trade receivables quantum of claims with and from the customers.
 - We have evaluated the independent confirmations from customers and performed alternate audit procedures on sample basis.
 - We also considered historical reasonability of forecasting the allowance for bad and doubtful debts.
 - Discussion with management about status and prospects of suits filed for receivables and assessment of requirement for provisioning.
 - Disclosure requirements as per schedule III of the company's act were verified.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A; a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
 - d) In our opinion, the aforesaid Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g) As required by section 197 (16) of the Act; in our opinion and according to information and explanation provided to us, the remuneration paid by the company to its directors is in accordance with the provisions of section 197 of the Act and remuneration paid to directors is not in excess of the limit laid down under this section.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements – Refer Note 28 to the Financial Statements;
 - ii) The Company did not have any long-term contracts including derivative contracts as at 31st March 2026.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv) (a) The management has represented to us that, to the best of its knowledge and belief, other than as disclosed in the Note 47 to the financial statements, if any, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any

guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) the management has represented to us, that, to the best of its knowledge and belief, other than as disclosed in the Note 47 to the accounts to the Financial Statements, if any, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the information and explanation given to us and audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations made by the management and as mentioned under sub-clause (iv)(a) and (iv)(b) above contain any material misstatement.
- v) The dividend declared and paid during the year by the Company is in compliance with Section 123 of the Act. The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
- vi) Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the company as per the statutory requirements for record retention.

Annexure A to the Independent Auditor's Report

Referred to in paragraph 1 under the heading, "Report on Other legal and Regulatory Requirements" of our report on even date:

- i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant & Equipment.
(B) The Company is maintaining proper records showing full particulars of intangible assets;
- (b) The Property, Plant & Equipment are physically verified by the Management according to a phased program designed to cover all the items over a period of 4 years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, a portion of the Property, Plant & Equipment has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
- (c) The title deeds of immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in Note 1 and 2 on Property, Plant & Equipment, Investment Property, respectively to the financial statements, are held in the name of the Company.
- (d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets during the year.
- (e) According to the information and explanations provided to us there are no proceedings have been initiated or are pending against the company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) and rules made thereunder. Hence reporting under clause 3(i) (e) of the order is not applicable.
- ii. (a) The physical verification of inventory including stocks with third parties have been conducted at reasonable intervals by the Management during the year. In respect of inventory lying with third parties, these have also been substantially confirmed by them. In our opinion and based on the policy adopted by the management, the coverage and procedure of such verification is appropriate. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
- (b) According to the information and explanations provided to us, the company has been sanctioned working capital limits in excess of five crore rupees during the year, in aggregate, from banks or financial institutions on the basis of security of current assets. The management of the company has provided us with the quarterly returns or statements, which they have represented to us have been filed by the company with their banks or financial institutions. In our opinion, these quarterly returns or statements are in agreement with the books of account of the Company.
- iii. (a) The company has not stood any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. However, company has investment of earlier years in equity shares of Co-operative Bank of Rs.5 lakhs.
- (b) The Company has not provided loans and advances, guarantees in the nature of loans and not made investment during the year. Hence reporting under Clause (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f), of the said Order are not applicable to the Company.
- iv. The Company has not granted any loans or made any investments, or provided any guarantees or security to the parties covered under Section 185. Hence reporting with respect to compliance of section 185 is not applicable. Further, according to the information and explanation given to us the company has complied with the provisions of section 186 of the Companies Act, 2013.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including Goods and Service Tax, provident fund, employees' state insurance, income tax, duty of customs, cess and other material statutory dues, as applicable, with the appropriate authorities.

- (b) According to the information and explanations given to us and the records of the Company examined by us, the particulars of statutory dues referred to in sub-clause (a) as at 31st March 2026 which have not been deposited on account of a dispute, are as follows:

Name of the statute	Nature of dues	Amount (Rs. in Lakhs)	Period to which the amount relates	Forum where the dispute is pending
Income Tax Act, 1961	Income tax under section 115 JB	20.15	AY 2019-20	Commissioner of Income Tax (Appeals)

- viii. In terms of the information and explanations given to us and the books of account and records examined by us, the Company has not surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961. Hence reporting under clause 3(viii) of the order is not applicable.
- ix. (a) According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender as at the balance sheet date.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations given to us, the company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the company, we report that no funds raised on short-term basis have been used for long-term purposes by the company.
- (e) The company does not have any subsidiary, associate or joint venture, hence reporting under clause 3(ix)(e) of the order is not applicable.
- (f) The company does not have any subsidiary, associate or joint venture, hence reporting under clause 3(ix)(f) of the order is not applicable.
- x. (a) The Company has not raised any moneys by way of initial public offer, further public offer (including debt instruments) during the year. Accordingly, the provisions of Clause 3(x)(a) of the Order are not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares or fully or partly or optionally convertible debentures during the year. Accordingly, the provisions of Clause 3(x)(b) of the Order are not applicable to the Company.
- xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company or on the Company noticed or reported during the year, nor have we been informed of any such case by the Management.
- (b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, report in the form ADT-4 as specified under sub-section (12) of section 143 of the Companies Act has not been filed. Accordingly reporting under clause 3(xi)(b) of the order is not applicable.
- (c) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us and as represented to us by the management, there are no whistle blower complaints received by the company during the year.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.
- xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of related party transactions have been disclosed in the financial statements at note no. 33 as required under IND AS24, Related Party Disclosures specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended
- xiv. (a) In our opinion and based on our examination, the company has an internal audit system commensurate with the size and nature of its business.

- (b) We have considered the internal audit reports of the company issued till date, for the period under audit.
- xv. The Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.
- xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi)(a) of the Order are not applicable to the Company.
- (b) According to the information and explanations given to us and procedures performed by us, we report that the Company has not conducted any Non-Banking Financial or Housing Finance activities during the year. Therefore reporting under clause 3(xvi)(b) of the order is not applicable.
- (c) According to the information and explanations given to us and procedures performed by us, the Company is not Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India, hence reporting under clause 3(xvi)(c) of the order is not applicable.
- (d) Based on information and explanation given to us and as represented by the management, the Group does not have Core Investment Company (CIC) as part of the Group.
- xvii. The Company has not incurred cash losses during current financial year and had not incurred cash losses during immediately preceding financial year.
- xviii. There has been no resignation by statutory auditors during the year hence reporting under clause 3(xviii) of the order is not applicable.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- xx. (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.
- (b) There are no unspent amounts towards Corporate Social Responsibility (CSR) in respect of ongoing projects requiring a transfer to a Special Account in compliance with sub-section (6) of Section 135 of the Act. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable for the year.

Annexure B to the Independent Auditor's Report

Referred to in paragraph 2 (g) under the heading, "Report on Other legal and Regulatory Requirements" of our report on even date:

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to the Financial Statements of KPT Industries Ltd ("the Company") as of 31 March 2026 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Financial Statements included obtaining an understanding of internal financial controls with reference to the Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to the Financial Statements.

Meaning of Internal Financial controls with reference to the Financial Statements

A company's internal financial controls with reference to the Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to the Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to the Financial Statements

Because of the inherent limitations of internal financial controls with reference to the Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Financial Statements to future periods are subject to the risk that the internal financial controls with reference to the Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, in all material respects, there are adequate internal financial controls with reference to the Financial Statements and such internal financial controls with reference to the Financial Statements were operating effectively as at March 31, 2026, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

- 2) For depreciation and amortisation refer accounting policy 27.8 and for disclosure refer Note No. 23.

Details of Company's Investment Properties and information about the fair value hierarchy:

The Company obtains independent valuations for its investments properties once in three years. The best evidence of fair value is current prices in active market for similar properties. Where such information is not available, the Company consider information from variety of sources including,

1. Current prices in active market for properties of different nature or recent prices of similar properties in less active markets, adjusted to reflect those differences.
2. Discounted cash-flow projection based on reliable estimates of future cash-flows.
3. Capitalized income projections based upon a property's estimated net market income and capitalization rate derived from an analysis of market evidence.

The main inputs used are the rental growth rates, expected vacancy rates, terminal yields and discount rates based on comparable transactions and industry data.

Fair value table -

(Amount ₹ in Lakh)

Particulars	Amount
Opening balance as at 1st April, 2024	6,471.51
Fair value difference	-
Purchases/transfer from PPE	-
Disposals/written off	-
Closing balance as at 31st March, 2025	6,471.51
Fair value difference	304.20
Purchases/transfer from PPE	-
Disposals/written off	-
Closing balance as at 31st March, 2026	6,775.71

Note : Fair value is ascertained on the basis of market rates prevailing for similar properties in those location determined by an independent registered valuer & consequently classified as a Level 2 valuation.

NOTES TO FINANCIAL STATEMENTS

24A EXCEPTIONAL ITEMS

Past Service Cost of Gratuity and Leave Encashment (Refer note below)	55.04	-
TOTAL	55.04	-

Notes to exceptional items :

The Government of India, on 21st November, 2025 notified four labour codes ('The New Labour Code'), consolidating existing labour laws. In accordance with Ind AS 19, changes to the employee benefit plans arising from legislative amendments are treated as plan amendments, requiring immediate recognition of past service cost in the statement of Profit & Loss. The New Labour Code has resulted in estimated increase in provision for employee benefit expense of ₹ 55.04 Lakhs, which has been recognised in the current reporting period. The Government has not yet notified the related rules to The New Labour Code and impact of them will be evaluated when notified.

26. CORPORATE INFORMATION

KPT Industries Limited ("the Company"), is a Public Limited Company incorporated on 30th July, 1976, under the provisions of Companies Act, 1956 having its registered office at Gat No. 320, Mouje Agar, A/p & Taluka. Shirol-416 103, Dist. Kolhapur. Its shares are listed at Bombay Stock Exchange.

The Company is mainly engaged in the business of manufacturing of Electrical Power Tools and Roots (Positive Displacement) Blowers/Exhausters for a wide variety of applications, Electric Commercial Vehicles and power generation through windmills.

27. SIGNIFICANT ACCOUNTING POLICIES

27.1 Basis of preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind-AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended till date).

The financial statements were authorized for issue by the Board of Directors on 29th May 2026.

27.2 Basis of measurement

The financial statements have been prepared on a historical cost basis, except for the following items, which are measured on an alternative basis on each reporting date.

Items	Measurement basis
Defined benefit Obligation	Fair value
Certain financial instruments	Fair value

NOTES FORMING PART OF FINANCIAL STATEMENTS

27.3 Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information is presented in INR rounded to the nearest Rupee in Lakhs, except share and per share data, unless otherwise stated.

Exchange differences are recognized in the Statement of Profit and Loss except to the extent, exchange differences which are regarded as an adjustment to interest cost on foreign currency borrowing, are capitalized as part of Borrowing Cost.

27.4 Significant accounting judgements, estimates and assumptions

The preparation of financial statements in conformity with Ind AS requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenue, expenses, current assets, non-current assets, current liabilities, non-current liabilities and disclosures of the contingent liabilities at the end of each reporting period. Although these estimates are based on management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying value of assets or liabilities in future periods.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

Critical estimates and judgements

The areas involving critical estimates or judgements are:

1. Estimation of defined benefit obligation –

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the market yields on government securities in currencies consistent with the currencies of the post-employment benefit obligation.

The mortality rate is based on publicly available mortality tables which tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

Further details about gratuity obligations are given in Note 32.

2. Estimation of provision for warranty claims – Refer note 27.16 Provisions

3. Estimated useful life of intangible assets - Refer note 27.9 Intangible asset and amortization.

4. Deferred tax assets are recognized for all deductible temporary differences including the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

5. Lease term - The company had applied provisions of Ind AS 116 effective 01st April, 2019. The said standard provides for certain recognition exemptions for short term leases as well as provides for certain criteria when the lease contracts are non-enforceable. The determination of lease term for the purpose of availing such exemptions and evaluation of such criteria for non-enforceability of a contract involves significant judgment.

6. Revenue Recognition - The company recognises revenue for each performance obligation either at a point in time or over a time. In case performance obligation is satisfied over a time, the output method is used to determine the revenue since it is faithfully depicting the company's performance towards complete satisfaction of performance obligation. Practical expedient of "right to consideration" is also considered while recognizing revenue in the amount to which the entity has right to invoice. In case performance obligation is satisfied at a point in time, the company generally recognises revenue when the control is transferred i.e. in case of goods either on shipment or upon delivery in domestic & on date of shipping in case of export. In case of services, the revenue is recognized based on completion of distinct performance obligation. Refer significant accounting policy note 27.10 on revenue recognition for information about methods, input and assumptions w.r.t transaction price & variable consideration.

Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading.

NOTES FORMING PART OF FINANCIAL STATEMENTS

- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle.
- It is held primarily for the purpose of trading.
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets/liabilities are classified as non-current assets/liabilities.

27.5 Inventories

Inventories are valued at the lower of cost and net realizable value. Costs incurred in bringing each product to its present location and conditions are accounted for as follows:

- Raw materials and Stores Spares: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. The cost is calculated on weighted average method.
- Finished goods and work in progress: Cost includes cost of direct materials and labor and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs.
- Traded goods: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on moving average basis.
- Unserviceable, damaged and obsolete inventory is valued at cost or net realizable value whichever is lower.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

27.6 Cash and cash equivalents

Cash and short-term deposits in the balance sheet comprise cash at banks and on hand and highly liquid short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities in balance sheet.

27.7 Property, plant and equipment

- **Recognition and measurement**

Freehold land is carried at historical cost. All other items of property, plant and equipment are measured at cost of acquisition or construction less accumulated depreciation and/or accumulated impairment loss, if any. The cost of an item of property, plant and equipment comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price. Borrowing costs directly attributable to the construction of a qualifying asset are capitalized as part of the cost.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Property, plant and equipment under construction are disclosed as capital work-in-progress.

Advances paid towards the acquisition of property, plant and equipment outstanding at each reporting date are disclosed under "Other non-current assets".

- **Subsequent costs**

The cost of replacing a part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company, and its cost can be measured reliably. The carrying amount of the replaced part is derecognized. The costs of the day-to-day servicing of property, plant and equipment are recognized in the statement of profit and loss as incurred.

NOTES FORMING PART OF FINANCIAL STATEMENTS

- **Disposal**

An item of property, plant and equipment is derecognized upon disposal or when no future benefits are expected from its use or disposal. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized net within other income/expenses in the statement of profit and loss.

- **Depreciation**

Depreciation is calculated over the depreciable amount, which is the cost of an asset, or other amount substituted for cost, less its residual value.

Depreciation is recognized in the statement of profit and loss generally on a straight-line basis over the estimated useful lives of each part of an item of property, plant and equipment as prescribed in Schedule II of the Companies Act 2013, except for following category of fixed assets, as assessed by the Management of the Company based on technical evaluation –

Particulars	Life in years
Building:	
- Building at new assembly shop cabin	10
- Building near Store	10

27.8 Investment Property

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalized to asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognized.

Investment properties are depreciated using straight-line method over their estimated useful lives.

27.9 Intangible assets and amortization

- **Recognition and measurement**

Intangible assets are recognized when the asset is identifiable, it is within the control of the Company, it is probable that the future economic benefits that are attributable to the asset will flow to the Company and cost of the asset can be reliably measured.

Intangible assets acquired by the Company that have finite useful lives are measured at cost less accumulated amortization and any accumulated impairment losses. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

- **Subsequent measurement**

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates.

- **Amortization**

Amortization is calculated over the cost of the asset, or other amount substituted for cost, less its residual value. Amortization is recognized in statement of profit and loss on a straight-line basis over the estimated useful lives of intangible assets from the date that they are available for use, since this most closely reflects the expected pattern of consumption of the future economic benefits embodied in the asset.

- **De recognition of Intangible assets**

An Intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and they are recognized in statement of profit and loss when the asset is derecognized.

27.10 Revenue recognition

Sale of goods

Company recognizes revenue when it transfers control over a good or service to a customer i.e. when it has fulfilled all 5 steps as given by Ind AS 115. Revenue is measured at transaction price i.e. Consideration to which company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties

NOTES FORMING PART OF FINANCIAL STATEMENTS

and after considering effect of variable consideration, significant financing component. For contracts with multiple performance obligations, transaction price is allocated to different obligations based on their standalone selling price. In such case, revenue recognition criteria are applied for each performance obligation separately, in order to reflect the substance of the transaction and revenue is recognized separately for each obligation as and when the recognition criteria for the component is fulfilled.

For contracts that permit the customer to return an item, revenue is recognized to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognized will not occur. Amounts included in revenue are net of returns, trade allowances, rebates, goods and service tax, value added taxes.

Rendering of services

Revenue is recognised over time as the services are provided. The stage of completion for determining the amount of revenue to recognised is assessed based on surveys of work performed.

If the services under a single arrangement are rendered in different reporting periods, then the consideration is allocated based on their relative stand-alone selling prices. The stand-alone selling price is determined based on the list prices at which the Company sells the services in separate transactions.

Other income

Other income comprises of rental income, interest income, and dividend income, foreign currency gain on financial assets and liabilities and export benefits.

Interest income is recognized as it accrues in the statement of profit and loss, using the effective interest method. Dividend income and export benefits in the form of Duty Draw Back claims and Merchant Exchange Incentive Scheme licenses are recognized in the statement of profit and loss on the date that the Company's right to receive payment is established.

27.11 Finance costs

Finance costs comprises of interest expense on borrowings, and foreign currency loss (to the extent those are regarded as an adjustment to the finance costs) on financial assets and liabilities. Interest expenditure is recognized as it accrues in the statement of profit and loss, using the effective interest method.

27.12 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Qualifying assets are the assets that necessarily take a substantial period of time to get ready for their intended use or sale.

27.13 Foreign currency transactions

The financial statements are presented in INR, which is also the company's functional currency. All amounts have been rounded to the nearest rupee, unless otherwise indicated.

Transactions and balances

Transactions in foreign currencies are initially recorded at functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Such differences arising on settlement or translation of monetary items are recognized in statement of profit and loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognized in OCI or profit or loss are also recognized in OCI or profit or loss, respectively).

27.14 Employee Benefits

Short Term Employee Benefits

All employee benefits payable wholly within twelve months of rendering the services are classified as short-term employee benefits. Benefits such as salaries, wages, expected cost of bonus and short-term compensated absences, leave travel allowance etc. are recognized in the period in which the employee renders the related service.

Post-Employment Benefits

Defined Contribution Plan

The Company's state governed provident fund scheme and employee state insurance scheme are defined contribution plans. The contribution paid/payable under the scheme is recognized during the period in which the employee renders the related service.

NOTES FORMING PART OF FINANCIAL STATEMENTS

Defined Benefit Plan

The employees' gratuity fund scheme is the Company's defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government securities as at the balance sheet date, having maturity periods approximating to the terms of related obligations.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Gains or losses on the curtailment or settlement of any defined benefit plan are recognized when the curtailment or settlement occurs. Past service cost is recognized as expenses on straight-line basis over the average period until the benefits become vested. Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

Long Term Employee Benefit

The obligation for long term employee benefits such as long-term compensated absences is recognized in the same manner as in the case of defined benefit plans as mentioned above.

Accumulated leaves that are expected to be utilized within the next 12 months are treated as short term employee benefits.

27.15 Income Taxes

Current income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of tax laws enacted or substantially enacted at the end of reporting period. Management periodically evaluates positions taken in tax returns with respect to situation in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax

Deferred tax is provided using the balance sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences, except:

When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized, except:

When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

NOTES FORMING PART OF FINANCIAL STATEMENTS

27.16 Provisions

A Provision is recognized when the Company has a present obligation as a result of a past event and it is probable that an outflow of resources is expected to settle the obligation, in respect of which a reliable estimate can be made.

Contingent liability is disclosed in case of:

- A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation,
- Present obligation arising from past events, when no reliable estimate is possible, and
- Possible obligation arising from past events where the probability of outflow of resources is remote.

Contingent assets are neither recognized, nor disclosed.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

Warranty provisions

Provisions for warranty-related costs are recognized when the product is sold to the customer. Initial recognition is based on historical experience. The initial estimate of warranty-related costs is revised annually.

27.17 Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

As a Lessee

A lessee is required to recognize assets and liabilities for all leases and to recognize depreciation of leased assets separately from interest on lease liabilities in the statement of Profit and Loss. The Company uses the practical expedient to apply the requirements of this standard to a portfolio of leases with similar characteristics if the effects on the financial statements of applying to the portfolio does not differ materially from applying the requirement to the individual leases within that portfolio.

However, when the lessee and the lessor each have the right to terminate the lease without permission from the other party with no more than an insignificant penalty the Company considers that lease to be no longer enforceable. Also, according to Ind AS 116, for leases with a lease term of 12 months or less (short-term leases) and for leases for which the underlying asset is of low value, the lessee is not required to recognize right-of-use asset and a lease liability. The Company applies both recognition exemptions. The lease payments associated with those leases are generally recognized as an expense on a straight-line basis over the lease term or another systematic basis if appropriate.

Right-of-use assets:

Right-of-use assets, which are included under property, plant and equipment, are measured at cost less any accumulated depreciation and, if necessary, any accumulated impairment. The cost of a right-of-use asset comprises the present value of the outstanding lease payments plus any lease payments made at or before the commencement date less any lease incentives received, any initial direct costs and an estimate of costs to be incurred in dismantling or removing the underlying asset. In this context, the Company also applies the practical expedient that the payments for non-lease components are generally recognized as lease payments. If the lease transfers ownership of the underlying asset to the lessee at the end of the lease term or if the cost of the right-of-use asset reflects that the lessee will exercise a purchase option, the right-of-use asset is depreciated to the end of the useful life of the underlying asset. Otherwise, the right-of-use asset is depreciated to the end of the lease term.

Lease Liability:

Lease liabilities, which are assigned to financing liabilities, are measured initially at the present value of the lease payments. Subsequent measurement of a lease liability includes the increase of the carrying amount to reflect interest on the lease liability and reducing the carrying amount to reflect the lease payments made.

As a Lessor

Lease income from operating leases where the Company is a lessor is recognized in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

27.18 Impairment of non-financial assets

The company assesses at each balance sheet date whether there is any indication that an asset or cash generating unit (CGU) may be impaired. If any such indication exists, the company estimates the recoverable amount of the asset. The recoverable amount is the higher of an asset's or CGU's net selling price or its value in use. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

NOTES FORMING PART OF FINANCIAL STATEMENTS

27.19 Fair value measurement

The Company measures certain financial instruments such as Investments at fair value at each balance sheet date. Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction. Quoted market prices, when available, are used as the measure of fair value. In cases where quoted market prices are not available, fair values are determined using present value estimates or other valuation techniques, for example, the present value of estimated expected future cash flows using discount rates commensurate with the risks involved. Fair value estimation techniques normally incorporate assumptions that market participants would use in their estimates of values, future revenues, and future expenses, including assumptions about interest rates, default, prepayment and volatility. Because assumptions are inherently subjective in nature, the estimated fair values cannot be substantiated by comparison to independent market quotes and, in many cases, the estimated fair values would not necessarily be realized in an immediate sale or settlement of the instrument.

For cash and other liquid assets, the fair value is assumed to approximate to book value, given the short- term nature of these instruments. For those items with a stated maturity exceeding twelve months, fair value is calculated using a discounted cash flow methodology.

The financial instruments carried at fair value were categorized under the three levels of the Ind AS fair value hierarchy as follows:

Level 1: Quoted market prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access. This level of the fair value hierarchy provides the most reliable evidence of fair value and is used to measure fair value whenever available.

Level 2: Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Inputs for the asset or liability that is not based on observable market data (unobservable inputs). These inputs reflect the Company's own assumptions about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk). These inputs are developed based on the best information available in the circumstances, which include the Company's own data. The Company's own data used to develop unobservable inputs is adjusted if information indicates that market participants would use different assumptions.

27.20 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognized initially at fair value. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortized cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the company neither transfers nor retain substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

Impairment of financial asset

Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Financial assets that are debt instruments, and are measured at amortized cost e.g., loans, debt securities, deposits, trade receivables and bank balance.
- Financial assets that are debt instruments and are measured as at FVTOCI.

NOTES FORMING PART OF FINANCIAL STATEMENTS

- Lease receivables.
- Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115.
- Loan commitments which are not measured as at FVTPL.
- Financial guarantee contracts which are not measured as at FVTPL.

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables or contract revenue receivables; and
- All lease receivables resulting from transactions within the scope of Ind AS 116

The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used.

Financial liabilities

Initial recognition and measurement

The company initially recognizes loans and advances, deposits, debt securities issued and subordinated liabilities on the date on which they are originated. All other financial instruments (including regular-way purchases and sales of financial assets) are recognized on the trade date, which is the date on which the company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is measured initially at fair value, for an item not at fair value through profit or loss, transaction costs that are directly attributable to its acquisition or issue.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, other terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

27.21 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period as reduced by number of shares bought back, if any. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

27.22 Borrowings

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortized over the period of the facility to which it relates

Preference shares, which are mandatorily redeemable on a specific date, are classified as liabilities. The dividends on these preference shares are recognized in profit or loss as finance costs

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in profit or loss as other gains/ (losses).

NOTES FORMING PART OF FINANCIAL STATEMENTS

Borrowings are classified as current liabilities unless they have an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

27.23 Government grants

Government grants are recognized where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognized as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognized as income in equal amounts over the expected useful life of the related asset.

27.24 Standards issued but not yet effective:

The Ministry of Corporate Affairs (MCA) has issued the following amendments to Indian Accounting Standards that are not yet effective as at the reporting date of 31st March 2026. The Company has not early adopted any of these amendments. Management is currently assessing the impact of these amendments on the Company's financial statements (if any).

Standard	Nature of Amendment	Effective Date	Expected Impact on the Company
Ind AS 1 (Presentation of Financial Statements)	Removal of the Ind AS carve-out for post reporting date covenant waivers. From April 1, 2026, if a covenant is breached at the reporting date, the related borrowing must be classified as current even if the lender grants a waiver after the reporting date but before financial statement approval. This brings Ind AS fully in line with IFRS requirements.	April 1, 2026 (Mandatory)	Applicable. The Company's cash credit facility contains regular financial covenants. Management has reviewed the facility terms and assumed that, based on current financial performance, no material covenant breach is anticipated at 31 st March 2026. The amendment will be adopted from FY 2026-27.
Ind AS 10 (Events After the Reporting Period)	Minor terminology update replacing the word 'provision' with 'covenant' for consistency with revised Ind AS 1.	April 1, 2026 (Mandatory)	No material impact is expected. There is only terminology change.

b)	Carried at FVTOCI		
	Investments - Non-current	5.00	10.00
		5.00	10.00

NOTES FORMING PART OF FINANCIAL STATEMENTS

(Amount ₹ in Lakh)

Sr. No.	Particulars	Fair value	
		31 st March, 2026	31 st March, 2025
	Financial Liabilities		
a)	Carried at amortised cost		
	Non-current borrowings	168.33	492.03
	Non-current-Other financial liabilities	85.26	77.86
	Non-current Lease Liabilities	22.79	58.33
	Current borrowings	2330.04	1740.44
	Current Lease Liabilities	35.54	44.05
	Trade payable	922.88	701.15
	Current-Other financial liabilities	971.79	971.25
		4536.63	4085.11

The fair value of financial assets and liabilities are included at the amount at which the instrument that would be received to sell an asset or paid to transfer in an orderly transaction between market participants at the measurement date.

The carrying amounts of financial assets and liabilities measured at amortised cost are a reasonable approximation of their fair values.

Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the Indian Accounting Standard. An explanation of each level is given in Note no 27.19 of Significant Accounting Policies.

b) Financial assets and liabilities for which fair value is disclosed

Particulars	Level 1	Level 2	Level 3
Non-current investments -Carried at FVTOCI			
31st March, 2026	-	-	5.00
31st March, 2025	-	-	10.00

35A Financial risk management policy and objectives

Company's principal financial liabilities, comprises loans and borrowings, trade and other payables and other financial liabilities. The main purpose of these financial liabilities is to finance company's operations. Company's principal financial assets include investments, trade and other receivables, security deposits, cash and cash equivalents and other bank balances that derive directly from its operations.

Company is exposed to certain risks which includes market risk, credit risk and liquidity risk.

Company's senior management takes care of Company's financial risk activities through appropriate policies and procedures.

The policies for managing these risks are summarised below.

1) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Company uses expected credit loss model for assessing and providing for credit risk.

a) Trade receivable

Customer credit risk is managed by the company under the guidance of the credit policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on financial position, past performance, business/economic conditions, market reputation, expected business etc. Based on this evaluation, credit limit and credit terms are decided. Exposure on customer receivables are regularly monitored and managed through credit lock and release. For export customers, credit insurance is generally taken. An impairment analysis is performed at each reporting date on an individual basis for all the customers. The impairment is based on expected credit model considering the historical data and financial position of individual customer at each reporting period. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. Trade receivables are non-interest bearing and are generally on, 40 days to 180 days credit term. The company has low concentration of risk as customer base is widely distributed both economically and geographically.

NOTES FORMING PART OF FINANCIAL STATEMENTS

i) Ageing analysis of trade receivables as on reporting date (Refer Note No. 4.1)

(Amount ₹ in Lakh)

	Neither past due nor impaired	Past due but not impaired			Credit Impaired above 180 days	Total
		Less than 180 days	181 to 365 days	above 366 days		
31 March, 2026	3474.52	1298.75	43.17	100.46	17.21	4934.11
31 March, 2025	2163.73	1090.89	94.92	62.37	-	3411.91

ii) Movement of impairment Allowance (allowance for bad and doubtful debts)

Particulars	Amount
Loss Allowance as at 1st April, 2024	13.28
Provided during the year (Refer Note No. 24)	-
Amounts written off	-
Amount written back (Refer Note No. 18)	3.37
Loss Allowance as at 31st March, 2025 (Refer Note No. 4)	9.91
Provided during the year (Refer Note No. 24)	21.46
Amounts written off	-
Amount written back (Refer Note No. 18)	-
Loss Allowance as at 31st March, 2026 (Refer Note No. 4)	31.37

b) Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the company's finance department in accordance with company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Company monitors rating, credit spreads and financial strength of its counter parties. Based on ongoing assessment company adjust its exposure to various counterparties. Company's maximum exposure to credit risk for the components of statement of financial position is the carrying amount.

2) Liquidity risk

Liquidity risk is the risk that the company may not be able to meet its present and future cash flow and collateral obligations without incurring unacceptable losses. Company's objective is to, at all time maintain optimum levels of liquidity to meet its cash and collateral requirements. Company closely monitors its liquidity position. It maintains adequate sources of financing including overdraft, debt from domestic and international banks at optimized cost.

The table summarises the maturity profile of Company's financial liabilities based on contractual undiscounted payments -

Particulars	On Demand	Less than 1 year	More than 1 year	Total
a) Trade and Other Payables				
31st March, 2026	-	922.88	-	922.88
31st March, 2025	-	701.15	-	701.15
b) Borrowings				
i. Interest Bearing				
31st March, 2026	1,404.13	925.91	168.33	2,498.37
31st March, 2025	1,023.39	717.05	492.03	2,232.47
ii. Non-Interest Bearing				
31st March, 2026	-	-	-	-
31st March, 2025	-	-	-	-
c) Other Financial Liabilities				
31st March, 2026	21.61	985.73	108.05	1,115.39
31st March, 2025	13.14	1,002.16	136.19	1,151.49

NOTES FORMING PART OF FINANCIAL STATEMENTS

The Company has access to following undrawn facilities at the end of the reporting period

Particulars	Floating Rate	
	Expiring within 1 Year	Expiring beyond 1 Year
31 st March, 2026	RLLR(Y) +0.25% and PLR - 8.00%	-
31 st March, 2025	RLLR(Y) +0.20% and PLR - 7.75%	-

3) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk:- interest rate risk, currency risk and other price risk such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments.

Company's activities expose it to variety of financial risks, including effect of changes in foreign currency exchange rate and interest rate.

a) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company has been availing the borrowings on variable rate of interest. The borrowings on a variable rate of interest are subject to interest rate risk as defined in Ind AS 107.

b) Foreign Currency Exposure Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue, expense, assets & liabilities is denominated in a foreign currency).

The Company manages its foreign currency risk by mapping receivables against payables in order to minimize currency fluctuation impact.

Foreign currency exposure :

Financial Assets	Currency	Amount in Foreign Currency in Lakhs		Amount in INR in Lakhs	
		31 st March, 2026	31 st March, 2025	31 st March, 2026	31 st March, 2025

35B: Provision for expected credit loss

Internal rating	Category	Description of category	Basis of recording expected credit loss	
			Loans and deposits	Trade receivables
A	High quality asset, negligible credit risk	Assets where the counter party has strong capacity to meet obligations and where risk is negligible or nil.	12 months expected credit losses	Life- time expected credit losses - simplified approach
B	Standard asset, moderate credit risk	Assets where there is moderate risk of default and where there has been low frequency of defaults in past.		
C	Low quality asset, High credit risk	Assets where there is high probability of default. In general, assets where contractual payments are more than year past due are categorised as low quality asset. Also includes where credit risk of counter party has increased significantly through payments may not be more than a year past due.		
D	Doubtful asset-credit impaired	Assets are written off, when there is no reasonable expectations of recovery. Where loans and receivables have been written off, the company continues to engage in enforcement activity to attempt to recover the receivables due. Where recoveries are made, these are recognised in profit or loss.	Asset is written off
