11. The Company is pleased to provide e-voting facility through Central Depository Services (India) Limited (CDSL) to enable all the Members to cast their votes electronically on the resolutions mentioned in the AGM Notice dated May 26, 2026 for the 40th Annual General Meeting of the Company. The instructions for members voting electronically are given below:

CDSL e-Voting System - For e-Voting and Joining Virtual Meetings.

1. In accordance with the provisions of the Act, read with the Rules made thereunder and General Circular Nos. 14/2020 dated 8th April, 2020, 17/2020 dated 13th April, 2020, 20/2020 dated 5th May, 2020, 02/2021 dated 13th January, 2021, 21/2021 dated 14th December, 2021, 02/2022 dated 5th May, 2022, 10/2022 dated 28th December, 2022, 09/2023 dated 25th September, 2023, Circular Nos. 09/2024 dated September, 19, 2024 and Circular No. 03/2025 dated September 22,2025 issued by the Ministry of Corporate Affairs ("MCA") and Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021, Circular No. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022, SEBI/HO/CRD/PoD-2/P/CIR/2023/4 dated January 05, 2023 and Circular No. SEBI/HO/CFD/CFD-PoD-2/P/ CIR/2023/167 dated October 07, 2023 and Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2024/133 dated October 03, 2024 issued by the Securities and Exchange Board of India ("SEBI"), (hereinafter collectively referred to as "the Circulars"), prescribing the procedures and

manner of conducting the AGM through Video Conference ("VC") or Other Audio Visual Means ("OAVM") without the physical presence of members at a common venue. In terms of the said Circulars, the 40th AGM of the Members of the Company is being held through VC/OAVM on **Thursday, August 06, 2026 at 3:00 p.m.** Central Depository Services (India) Limited (CDSL) will be providing facility for voting through remote e-voting, for participation in the AGM through VC / OAVM facility and e-Voting during the AGM.

2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI Listing Regulations (as amended), the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.

5. As the AGM shall be conducted through VC/OAVM, there is no requirement of appointment of proxies, pursuant to the said Circulars. Accordingly, the facility for appointment of proxy by the members is not available for this AGM and hence the proxy form is not annexed to this Notice. Further, the attendance slip including route map is not annexed to this Notice. Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.

THE INTRUCTIONS TO SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

Step 1 Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

(i) The voting period begins on **Monday, the 3rd day of August, 2026 at 9.00 a.m. and ends on Wednesday, the 5th Day of August, 2026 at 5.00 p.m.** During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on **Thursday, the 30th day of July, 2026** i.e. the cut-off date (record date) may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

(ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(iv) In terms of SEBI circular no. **SEBI/HO/CFD/ CMD/CIR/P/2020/242 dated December 09, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 WITH REFERENCE TO THE SPECIAL BUSINESS SPECIFIED IN THE NOTICE CONVENING THE FORTIETH ANNUAL GENERAL MEETING OF THE COMPANY.

ITEM NO 3

The provisions of Section 186 of the Act read with the Companies (Meetings of Board and its Powers) Rules, 2014, as amended to date, provides that no company is permitted to, directly or indirectly, (a) give any loan to any person or other body corporate; (b) give any guarantee or provide security in connection with a loan to any other body corporate or person; and (c) acquire by way of subscription, purchase or otherwise, the securities of any other body corporate, exceeding sixty percent of its paid-up share capital, free reserves and securities premium account or one hundred per cent of its free reserves and securities premium account, whichever is more. Further, the said section provides that where the giving of any loan or guarantee or providing any security or the acquisition as provided under Section 186(2) of the Act, exceeds the limits specified therein, prior approval of members by means of a Special Resolution is required to be passed at a general meeting.

In view of the above and considering the business plans of the Company, which requires the Company to make sizeable loans / investments and issue guarantees / securities to persons or bodies corporate, from time to time, prior approval of the members is being sought for enhancing the said limits.

The Board recommends the Special Resolution set out at Item No. 3 of the Notice for approval of the members.

None of the Directors or Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in the said resolution.

ITEM NO. 4 :

Pursuant to Section 188 of the Companies Act, 2013 and the applicable Rules framed thereunder state that any related party transaction in relation to sale, purchase or supply of any goods or materials or services, unsecured loans, other loans and Advances, directly or through appointment of agent amounting to or exceeding 10% or more of the turnover of the Company as per the last Audited Financial Statement for the preceding financial year shall not be entered into by the Company except with the prior approval of the Company by a resolution.

Furthermore, Regulation 15(2) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 states the non-applicability of Regulation 23 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) on companies listed on SME exchange for the related party transactions.

During the Financial Year 2026-2027, the Company, proposes to enter into certain related party transaction(s) with Rama Phosphates Limited, Rama Industries Limited, Blue Lagoon Investments Private Limited and Trishul Mercantile Private Limited as mentioned below, on mutually agreed terms and conditions, and the aggregate of such transaction(s) are expected to cross the applicable materiality thresholds.

Accordingly, transaction(s) entered with Rama Phosphates Limited, Rama Industries Limited, Blue Lagoon Investments Private Limited and Trishul Mercantile Private Limited comes within the meaning of Related Party Transaction(s) in terms of provisions of the Act applicable Rules framed thereunder. All the said transactions shall be in the ordinary course of business of the Company and on an arm's length basis. Based on the recommendation of the Audit Committee and as approved by the Board of Directors, subject to approval of members of the Company, approved an aggregate limit not exceeding ₹ 31 Crores (Rupees Thirty One Crores), collectively for transactions involving sale, purchase or supply of any goods or materials or services, unsecured loans, other loans and Advances for the Financial Year 2026-2027, with above mentioned related parties within the definition of Section 2(76) of the Act.

As per the SEBI Listing Regulations, all related Parties of the Company, whether or not a party to the proposed transaction(s) shall abstain from voting on the said resolution.

Except Mr. Haresh D. Ramsinghani and Ms. Nilanjana H. Ramsinghani along with and / or their relatives are concerned or interested in the resolution(s). None of the other Directors and / or Key Managerial Personnel of the Company and/or their respective relatives are concerned or interested either directly or indirectly, except to the extent of their shareholding in the Company, if any, in the Resolution mentioned at Item No. 4 of the Notice.

The Board recommends the relevant Ordinary Resolution set forth at Item No. 4 in the Notice for the approval of the Members for the said Related Party Transaction(s) proposed to be entered by our Company.

Pursuant to Rule 15 of Companies (Meetings of Board and its Powers) Rules, 2014 as amended till date and Disclosure under Regulations of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 particulars of the transactions with Rama Phosphates Limited, Rama Industries Limited, Blue Lagoon Investments Private Limited and Trishul Mercantile Private Limited are as follows:

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2026
[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
RAMA PETROCHEMICALS LIMITED
Savroli Kharpada Road, Village Vashivali,
P.O. Patalganga, Taluka Khalapur,
Dist. Raigad - 410220 Maharashtra India

I have conducted the Secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Rama Petrochemicals Limited** (hereinafter called the **"Company"**) for the financial year ended **March 31, 2026**. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company through electronic mode, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on **March 31, 2026** ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

The manufacturing operations of the Company are suspended from the year 1999.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2026 according to the provisions of:

All transmission or transposition of securities are conducted in accordance with the provisions of Regulation 40 and Schedule VII of the SEBI Listing Regulations, read together with relevant SEBI Circulars.

In terms of the SEBI Listing Regulations, securities of the Company can only be transferred in dematerialized form. Further, SEBI vide its Circular No. SEBI/HO/ MIRSD_RTAMB/P/ CIR/2022/8 dated January 24, 2022, mandated all the listed companies to issue securities in dematerialized form only, while processing the service request for issue of duplicate securities certificates, renewal/ exchange of securities certificate, claim from Unclaimed Suspense Account, endorsement, sub-division/ splitting of securities certificate, consolidation of securities certificates/ folios, transmission and transposition.

In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialization, Members are advised to dematerialize the shares held by them in physical form. Members can contact the Company or the Company's RTA, for assistance in this regard. Also, share transactions in electronic form can be effected in a much simpler and faster manner. Shareholders should communicate with the RTA, quoting their folio number or Depository Participant ID ('DPID') and Client ID number, for any queries on their securities holding.

SCORES: A centralised web based complaints redress system 'SCORES' which serves as a centralised database of all complaints received, enables uploading of Action Taken Reports by the concerned companies and online viewing by the investors of actions taken on complaints and its current status.

Dispute Resolution Mechanism (SMART Online Dispute Resolution [ODR])

SEBI has vide its Circular No. SEBI/HO/MIRSD/MIRSD_ RTAMB/P/CIR/2022/76 dated May 30, 2022, issued a Standard Operating Procedure ('SOP') for dispute resolution under the Stock Exchange Arbitration Mechanism for disputes between a listed company and/or registrars to an issue and share transfer agents and its shareholder(s)/ investor(s). Further, SEBI vide Circular No. SEBI/ HO/OIAE/OIAE_IAD-3/P/CIR/2023/195 dated July 31, 2023, introduced a mechanism to streamline and strengthen the existing dispute resolution in the Indian Securities Market.

This mechanism enhanced the degree of regulatory supervision by SEBI over disputes between aggrieved parties and the ODR order is binding on both the parties to the dispute. Pursuant to above-mentioned circulars, the aggrieved party can initiate the mechanism through the ODR portal, after exercising the primary options to resolve the issue directly with the Company and through the SCORES platform.

11. SUSPENSE ESCROW DEMAT ACCOUNT ('SEDA')

Pursuant to SEBI Circular dated January 25, 2022, to enhance the shareholders experience in dealing with securities markets, the listed companies shall issue the securities in dematerialized form only, while processing any investor service requests viz., issue of duplicate share certificates, endorsement, transmission, transposition.

After processing investor service request(s), a Letter of Confirmation ('LOC') would be issued to the shareholders in lieu of a physical securities certificate. LOC shall be valid for a period of 120 days, within which the shareholder shall make a request to the Depository Participant for dematerializing the said securities/shares. In case the shareholders fail to submit the dematerialization request within 120 days, the Company shall then credit those securities to the SEDA held by the Company. The shareholders can reclaim these shares from the Company's SEDA on submission of documentation prescribed by SEBI.

As on March 31, 2026, the details of SEDA are as follows –

INDEPENDENT AUDITOR'S REPORT

To

The Members of

Rama Petrochemicals Limited

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying Standalone Financial Statements of **Rama Petrochemicals Limited** (“the Company”), which comprise the Balance Sheet as at 31st March 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year ended on that date, and notes to the Standalone Financial Statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as “Standalone Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (“Ind AS”) prescribed under section 133 of the Act and other accounting principles generally accepted in India,

(a) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2026;

(b) in the case of the Statement of Profit and Loss (including Other Comprehensive Income), of the Loss for the year ended on that date;

(c) in the case of the Statement of Changes in Equity, of the changes in equity for the year ended on that date; and

(d) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Basis for Qualified Opinion

We draw your attention to Note 10.1 wherein in earlier year, the Company has treated payment of Rs.18,500 thousand towards release of collateral securities, as ‘Other Financial Assets’ which the company intends to adjust after release of collateral securities by all the security holders. This being not in accordance with generally accepted accounting principles. Retained Earnings and Current Assets are higher as on 31st March, 2026 by Rs 18,500 thousand.

Our opinion is modified in respect of the above-mentioned matters.

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“the ICAI”) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matter described below to be the key audit matters to be communicated in our report.

Key Audit Matters	Auditor's Response
Measurement of Arm's Length Price for Related Party Transactions: Related party transactions pose significant financial reporting risk due to the possibility of transactions being conducted at prices deviating from the arm's length principle. Under Ind AS, related party transactions are required to be disclosed in the standalone financial statements, and determination of arm's length pricing for such transactions requires careful evaluation and scrutiny.	1) Evaluated the Company's process for identification of related party transactions and assessed completeness and accuracy of related party disclosures, including the nature and significance of such trading transactions. 2) Examined the appropriateness of pricing methodologies used for determining arm's length prices and assessed compliance with applicable Ind AS requirements and industry practices. 3) Assessed the selection and comparability of benchmark transactions considering industry, geography, and market conditions. 4) Reviewed supporting pricing documentation and assessed the effectiveness of internal controls over identification, measurement, and disclosure of related party transactions. Evaluated compliance with Ind AS 24 and relevant tax regulations, including alignment of arm's length pricing with applicable tax requirements.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises of the information included in the Company's Annual Report, but does not include the financial statements and our auditor's report thereon. The Company's Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing ("SAs") will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Standalone Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of section 143(11) of the Act, we give in **"Annexure A"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit, we report that:
   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Standalone Financial Statements have been kept so far as it appears from our examination of those books.

   (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including other comprehensive income, the Standalone Statement of Changes in Equity and the Standalone Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account.

   (d) In our opinion, the aforesaid Standalone Financial Statements comply with the Ind AS specified under Section 133 of the Act.

   (e) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164(2) of the Act.

   (f) With respect to the adequacy of the internal financial controls with reference to Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure B"**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone Financials Statements.

   (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V of the Act.

   (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

      i. The Company does not have any pending litigation which would impact its financial position;

      ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

      iii. There were no dues which were required to be transferred to Investor Education and Protection Fund by the company.

      iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

      (b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) or (ii) of Rule 11(e) of the Companies (Audit and Auditors) Rules, 2014, as provided under (a) and (b) above, contain any material misstatement.

v. The Company has not declared or paid any dividend during the year and has not proposed any dividend for the year.

vi. Based on our examination, which includes test checks, it is observed the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

ANNEXURE – 'A' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF RAMA PETROCHEMICALS LIMITED

The Annexure referred to in our report to the members of **Rama Petrochemicals Limited** ('the Company') for the year ended on 31st March, 2026.

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

i) a) (A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property Plant and Equipment.

(B) The Company does not have any intangible assets and hence reporting under clause 3(i)(a)(B) of the Order is not applicable.

b) The Management of the Company has physically verified the Property Plant and Equipment in accordance with its policy of physical verification at reasonable intervals. The discrepancies, if any noticed during such verification have been suitably adjusted in the books of account. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.

c) With respect to immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the Standalone Financial Statements included in Property, Plant and Equipment, according to information and explanations given to us and based on verification of the registered sale deed / Transfer deed / Conveyance deed provided to us, we report that, the title deeds of such immovable properties are held in the name of the Company as at balance sheet date.

d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.

e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

ii) a) According to the information and explanations given to us, the Company does not have any inventories. Accordingly, clause 3(ii)(a) of the Order is not applicable.

b) The Company has not been sanctioned any working capital limits in excess of Rupees five crores, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.

iii) During the year, the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Hence, reporting under clause 3(iii) of the Order is not applicable.

iv) According to information and explanation given to us, the Company has not granted any loans or provided guarantees or securities that are covered under the provisions of sections 185 of the Companies Act, 2013. Also, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in respect of investments made.

v) The company has neither accepted deposits from the public nor accepted any amount which are deemed to be deposits within the meaning of sections 73 to 76 of the Act and Rules made thereunder. Hence, reporting under clause 3(v) of the Order is not applicable.

vi) According to the information and explanation given to us, maintenance of cost records have not been prescribed by the Central Government pursuant to Companies (Cost Records and Audit) Rules, 2014 under sub-section (1) of Section 148 of the Companies Act.

vii) a) According to the records of the Company, undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues have been regularly deposited with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of aforesaid dues were outstanding as at 31st March, 2026 for a period of more than six months from the date it became payable except :

Name of the statute	Nature of the dues	Amount in Rupees thousands	Period to which the amount relates	Due Date*	Date of Payment	Remarks, if any
The Maharashtra Village Panchayats Act, 1959	Property Tax	2,186	2018-26	-	NA	-

The Customs Act, 1962	Custom Duty on import of Catalyst	5,933	1998-99	-	NA	-

*The said amounts have been outstanding since there is no demand raised by the respective authority.

b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of Provident Fund, Employee's State Insurance, Sales Tax, Income Tax, Service Tax, Custom Duty, Excise Duty, Value Added Tax, Goods and Service Tax, Cess and other statutory dues to appropriate authorities which have not been deposited on account of any disputes.

viii) On the basis of our examination of the books and according to the information and explanations given to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

ix) a) The Company has not defaulted in repayment of any loans or other borrowings from any lender.

b) The Company has not been declared willful defaulter by any bank or financials institution or government or any government authority.

c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the order is not applicable.

d) According to the information and explanations given to us, and the procedure performed by us, and on overall examination of the financial statements of the company, we report that no funds raised on short-term basis have been used for long-term purposes by the company. Accordingly, reporting under clause 3(ix)(d) of the Order is not applicable.

e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary.

f) The Company has not raised loans during the year on the pledge of securities held in its subsidiary company and hence reporting under clause 3 (ix)(f) of the Order is not applicable.

x) a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.

b) According to the information and explanations given to us, the Company has made preferential allotment of shares upon conversion of warrants during the year and in our opinion, the requirements of section 42 and 62 of the Companies Act 2013 have been complied with and fund raised has been used for the purpose for which it was raised.

xi) a) According to the information and explanations given to us, no material fraud by the Company or on the Company has been noticed or reported during the year.

b) No report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by us, in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

c) According to the information and explanations given to us, during the year, no whistle blower complaint was received by the Company.

xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.

xiii) In our opinion, the Company is in compliance with sections 177 and 188 of the Act, where applicable, for all transactions with related parties, and details of related party transactions have been disclosed in the Standalone Financial Statements as required by the applicable accounting standards.

ANNEXURE – 'B' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF RAMA PETROCHEMICALS LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Standalone Financial Statements of **Rama Petrochemicals Limited** ("the Company") as of 31st March, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to these standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these standalone financial statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2026

NOTE 1

A. Corporate Information

Rama Petrochemicals Limited ("the Company") is a public limited company, incorporated and domiciled in India having its registered office at Savroli Kharpada Road, Village Vashivalli, Tal. Khalapur Dist. Raigad – 410220, Maharashtra, India. The equity shares of the Company are listed on BSE Limited. The Company has discontinued its Methanol manufacturing business and taken up trading activities as major business operation.

B. Material Accounting Policies

1. Basis of Preparation

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (IND AS) notified under Section 133 of the Companies Act, 2013 ("the Act") [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. The financial statements have been prepared on the historical cost basis except for certain financial assets and liabilities, which are measured at fair value.

The financial statements are presented in Indian Rupees ("INR"), which is also the company's functional currency and all values are rounded off to the nearest thousands, except when otherwise indicated.

Use of Estimates and Judgements

The preparation of the Company's financial statements with IND AS requires management to make informed judgements, reasonable assumptions and estimates that affect the amounts reported in the financial statements and notes thereto. Uncertainty about these could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in the future periods. These assumptions and estimates are reviewed periodically based on the most recently available information. Revisions to accounting estimates are recognized prospectively in the Statement of Profit & Loss in the period in which the estimates are revised and in any future periods affected.

In the assessment of the Company, the most significant effects of use of judgments and/or estimates on the amounts recognized in the financial statements relate to the following areas:

- Fair value measurements for Financial instruments;
- Useful lives of property, plant & equipment;
- Estimation of net realizable value of inventories;
- Measurement of recoverable amounts of assets / cash-generating units;
- Assets and obligations relating to employee benefits;
- Provisions and Contingencies;
- Provision for doubtful receivables;
- Use of Going Concern Assumption.

2. Revenue Recognition :

a. Sales are made at a point in time in accordance with IND AS 115-Revenue from Contracts with Customers is recognised when goods are dispatched and the control over the goods sold is transferred to customers. The Company does not expect to have any contracts where the period between the transfer of goods and payment by customer exceeds one year. Hence, the Company does not adjust revenue for the time value of money.

b. Interest income is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accounted on accrual basis, using effective interest rate method.

c. Dividend income from investments is recognized when the right to receive the dividend is established.

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2026

d. Revenue in respect of insurance / other claims are recognized only when it is reasonably certain that the ultimate collection will be made.

3. Property, Plant and Equipment :

Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment, if any. The cost of property, plant and equipment includes purchase price, including freight, duties, taxes and expenses incidental to acquisition and installation. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. Property, plant and equipment are derecognized from financial statements, either on disposal or when no economic benefits are expected from its use or disposal. The gain or losses arising from disposal of property, plant and equipment are recognized in the Statement of Profit and Loss in the year of occurrence.

Subsequent expenditures

Subsequent expenditures related to an item of property, plant and equipment are added to its carrying value only when it is probable that the future economic benefits from the asset will flow to the Company and cost can be reliably measured. All other repair and maintenance costs are recognized in the Statement of Profit and Loss during the year in which they are incurred.

4. Depreciation and amortisation :

a. Depreciation on Fixed Assets is provided on straight line method based on the useful lives of the assets as prescribed in Schedule II of the Companies Act, 2013.

b. Depreciation on addition / deletion is provided pro-rata basis with reference to the date of addition / deletion as the case may be.

c. The details of estimated life for each category of assets are as under:

Assets class	**Useful life**
Plant & Machinery	15 to 20 years
Buildings	5 to 60 years
Furniture & fixtures	10 years
Office equipment	5 years
Vehicles	8 years

Free hold land is not depreciated

Lease hold land is amortised over the life of the lease.

Intangible Assets

Intangible assets are initially recognized at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. The amortization period and the amortization method for an intangible asset are reviewed at least at the end of each reporting period. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized. Intangible assets are amortized over its useful life of five years.

Impairment

The carrying amount of assets is reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors.

If the carrying amount of assets exceeds its estimated recoverable amount, an impairment loss is recognized in the Statement of Profit & Loss to the extent the carrying amount exceeds recoverable amount.

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2026

Lease Liabilities & Right of use assets

The Company implemented a single accounting model as per Ind AS 116, requiring lessees to recognize assets and liabilities for all leases excluding exceptions listed in the standard. The Company elected to apply exemptions to short term leases or for leases for which the underlying asset is of low value.

Right of use assets is evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of the leases. Lease liabilities are re-measured with a corresponding adjustment to the related right of use asset if the company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset shall be separately presented in the Balance Sheet and lease payments shall be classified as financing cash flows.

5. **Leases :**

At the inception of an arrangement, the Company determines whether the arrangement is or contains a lease and whether it is a finance lease or an operating lease. If substantially all the risks and rewards incidental to ownership of the leased asset are transferred to the Company as lessee the arrangement is treated as a finance lease otherwise it is considered as an operating lease.

As a Lessee

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. The ROU are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the incremental borrowing rates.

As a Lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease. For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

6. **Cash Flow Statements :**

Cash flows are reported using the indirect method prescribed in Ind AS 7 'Statement of Cash Flows', whereby profit for the year is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2026

7. Foreign Currency Translation :

Initial Recognition:

On initial recognition, transactions in foreign currencies entered into by the Company are recorded in the functional currency (i.e. Indian Rupees), by applying to the foreign currency amount, the spot exchange rate between the functional currency and the foreign currency at the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Statement of Profit and Loss.

Measurement of foreign currency items at reporting date

Foreign currency monetary items of the Company are translated at the closing exchange rates. Non-monetary items that are measured at historical cost in a foreign currency, are translated using the exchange rate at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency, are translated using the exchange rates at the date when the fair value is measured. Exchange differences arising out of these translations are recognized in the Statement of Profit and Loss.

8. Valuation of Inventories :

a. Raw Material and work in process are valued at cost (on "first in first out basis") or net realisable value whichever is lower. Raw material and work in process are not written down below cost if the finished product in which they will be incorporated are expected at or above cost.

b. Stores & Spares are valued at cost (on "first in first out basis").

c. Stocks in transit are valued at cost or market value whichever is lower.

d. Finished goods are valued at cost or net realizable value, whichever is lower.

e. Inventories of traded goods are valued at cost or net realizable value, whichever is lower.

9. Employee's Benefits :

Short Term Employee Benefits

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages, short term compensated absences etc. and the expected cost of bonus, ex-gratia are recognized in the period in which the employee renders the related service.

Post employment benefits & long term employee benefits

Post employment benefits are determined using the projected unit credit method, with actuarial valuation being carried out at Balance sheet date. Actuarial gains and losses are recognised in full in the Statement of Profit and Loss for the period in which they occur.

Defined Contribution Plan

The company has Defined Contribution plans for post employment benefits namely Provident Fund. Under the provident Fund Plan, the company contributes to a Government administered provident fund on behalf of its employees.

The Company's contributions to the above funds are charged to revenue every year.

Defined benefit plans

The liability recognized in the balance sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period. The defined benefits obligation is calculated annually by actuaries using the projected unit credit method.

The Company operates defined benefit plan for Gratuity. The cost of providing such defined benefit is determined using the projected unit credit method of actuarial valuation made at the end of the year.

Actuarial gains and losses are recognised in other comprehensive income for gratuity and recognised in the Statement of Profit & Loss for leave encashment.

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2026

Remeasurement gain and losses arising from experience adjustments, changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income (OCI). They are included in retained earnings in the statement of change in equity and in the balance sheet.

Compensated absences

Obligations on leave encashment are provided using the projected unit credit method of actuarial valuation made at the end of the year.

The Code on Social Security, 2020 ('the Code'), pertaining to employee and post-employment benefits, received Presidential assent in September 2020 and was published in the Gazette of India. The Company has complied with the provisions of the Code with respect to compensated absences upon its notification and has recognised the consequential effects in the current financial year with effect from 21st November, 2025.

10. Borrowing Cost :

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

11. Segment Reporting :

The accounting policies adopted for segment reporting are in line with the accounting policies of the company. Segment assets include all operating assets used by the business segments and consist principally of fixed assets, debtors and inventories. Segment liabilities include the operating liabilities that result from the operating activities of the business. Segment assets and liabilities that cannot be allocated between the segments are shown as part of unallocated assets and liabilities respectively. Income / Expenses relating to the enterprise as a whole and not allocable on a reasonable basis to business segments are reflected as unallocated income / expenses.

12. Fair value measurement :

The Company’s accounting policies and disclosures require the measurement of fair values for financial assets and liabilities.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

- Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

13. Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments.

A. Financial Assets :

Initial recognition and measurement

The Company recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset.

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2026

Subsequent measurement

For the purpose of subsequent measurement, the financial assets are classified as under:

Financial assets at amortised cost

A financial asset is measured at the amortised cost, if both the following conditions are met:

(i) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(ii) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. Interest income from these financial assets is included in other income using the EIR in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss.

Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are classified as FVTOCI, if both of the following criteria are met :

(i) These assets are held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets; and

(ii) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Fair value movements are recognised in the other comprehensive income (OCI), except for the recognition of impairment gains or losses, interest income and foreign exchange gains or losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to Profit or Loss and recognised in other income/(loss).

Financial assets at fair value through profit or loss (FVTPL)

Financial assets that do not meet the criteria for amortized cost or FVTOCI are measured at fair value through profit or loss. A gain or loss on a instrument that is subsequently measured at fair value through profit or loss and is recognized in profit or loss and presented net in the Statement of Profit and Loss within other income in the period in which it arises.

Equity instruments

All equity instruments other than investments in subsidiaries and associates are measured at fair value. Equity instruments which are for trading are classified as FVTPL. All other equity instruments are measured at fair value through other comprehensive income (FVTOCI). The classification is made on initial recognition and is irrevocable.

Where the Company's management has elected to present fair value gains and losses on equity instruments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognized in profit and loss when the Company's right to receive payments is established.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Impairment of financial assets

The Company applies 'simplified approach' for recognition of impairment loss on financial assets for loans, deposits and trade receivables.

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2026

The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime Expected Credit Loss at each reporting date, right from its initial recognition.

De-recognition

A financial asset is derecognized when:

(i) the rights to receive cash flows from the assets have expired or

(ii) the Company has transferred substantially all the risk and rewards of the asset, or

(iii) the Company has neither transferred nor retained substantially all the risk and rewards of the asset, but has transferred control of the asset.

B. Financial Liabilities :

Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction cost.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. For trade and other payables maturing within operating cycle, the carrying amounts approximate the fair value due to short maturity of these instruments.

Loans and borrowings

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using Effective Interest Rate (EIR) method. Gain and losses are recognized in the Statement of Profit and Loss when the liabilities are derecognized.

Amortised cost is calculated by taking into account any discount or premium on acquisition and transaction costs. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

De-recognition

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount is reflected in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

14. Taxes :

The tax expense comprises current and deferred tax. Tax is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity or in OCI.

a) Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantially enacted at the reporting date.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2026

b) Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities for financial reporting purpose and the amount used for taxation purposes.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized. The carrying amount of deferred tax asset is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

15. Earnings per share :

The Company reports basic and diluted earnings per share (EPS) in accordance with IND AS-33 on earnings per share. Basic EPS is computed by dividing the net profit or loss for the year by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss for the year by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, except where the results are anti-dilutive.

16. Cash and Cash Equivalents :

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand, demand deposit and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

17. Current and non-current classification :

Assets and Liabilities in the balance sheet have been classified as either current or non-current. An asset has been classified as current if (a) it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle; or (b) it is held primarily for the purpose of being traded; or (c) it is expected to be realized within twelve months after the reporting date; or (d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date. All other assets have been classified as non-current. A liability has been classified as current when (a) it is expected to be settled in the Company's normal operating cycle;or (b) it is held primarily for the purpose of being traded; or (c) it is due to be settled within twelve months after the reporting date; or (d) the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. All other liabilities have been classified as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities. An operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents.

18. Impairment of Non-Financial Assets :

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is the higher of an asset's or cash generating unit's (CGU) fair value less costs of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2026

asset and from its disposal at the end of its useful life. If such recoverable amount of the asset or cash generating unit is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If at the Balance Sheet date there is any indication that any impairment loss recognized for an asset in prior years may no longer exist or may have decreased, the recoverable amount is reassessed and such reversal of impairment loss is recognized in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

19. Provisions :

A provision is recognized when the company has a present obligation as a result of past events and it is probable that there will be an outflow of resources to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

20. Contingent Liabilities and Contingent Assets:

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate

A contingent asset is generally neither recognized nor disclosed in financial statements.

10.1 In the earlier years, the Company had given a Corporate Guarantee and also mortgaged on first pari-passu charge basis its immovable properties (collateral securities) in favour of financial institutions and banks to secure term loans sanctioned to the Denim Division of the Company. The Denim Division was demerged in 1999-2000.The said Loans were assigned by the financial institutions and banks to Asset Care and Reconstruction Enterprise Ltd (ACRE) and Edelweiss Asset Reconstruction Company Ltd. (EARC). In earlier year the Company has paid Rs.18,500 thousand to Edelweiss Asset Reconstruction Company Ltd. for release of its claim on the collateral securities. The management has taken a view that since this payment is made towards the release of collateral securities by EARC only and the collateral securities shall continue in favor of the body corporate to whom ACRE has assigned the loans and hence the payment of Rs.18,500 thousand is shown as 'Other Financials Assets' under Current Assets.

Sensitivity analysis		
Delta impact of +1% change in discount rate	**(93)**	(77)
Delta impact of -1% change in discount rate	**103**	83
Delta impact of +1% change in salary escalation rate	**13**	4
Delta impact of -1% change in salary escalation rate	**(12)**	(5)
Delta impact of +1% change in rate of employee turnover	**46**	19
Delta impact of -1% change in rate of employee turnover	**(49)**	(19)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Characteristics of defined benefit plan

The Company has a defined benefit gratuity plan (unfunded).

Risks associated with defined benefit plan

Gratuity is a defined benefit plan and company is exposed to the Following Risks:

Interest rate risk: A fall in the discount rate which is linked to the government security rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Company has to manage pay-out based on pay as you go basis from own funds.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Characteristics of defined benefit plans

The Company has considered the ceiling limit for payment of gratuity as per the provision of payment of Gratuity Act, 1972.

b. Risk management framework

The Company's principal financial liabilities include borrowing, trade and other payables. The Company's principal financial assets include loans, trade receivable, cash and cash equivalents and others. The Company also holds FVTOCI investments. The Company is exposed to credit risk, liquidity risk and market risk. The Company's senior management oversees the management of these risks. The Company's senior management provides assurance that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

c. Financial Risk Management

The Company has exposure to the following risks arising from financial instruments :

i) Credit Risk

ii) Liquidity Risk

iii) Market Risk

i) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, investment in inter corporate deposit and loans given.

The carrying amount of following financial assets represents the maximum credit exposure :

Trade receivable

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. No impairment is observed on the carrying value of trade receivables.

Other financial assets

Credit risk from balances with banks, loans, investments is managed by Company's finance department. Investments of surplus funds are made only with approved counterparties. No impairment on such investment has been recognised as on the reporting date.

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2026

ii) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed condition, without incurring unacceptable losses or risking damage to the Company's reputation.

The Management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of surplus funds, bank loans and inter-corporate loans.

Exposure to Liquidity Risk

The following are the remaining contractual maturities of financial liabilities at the reporting date.

Other Financial Liabilities	5,065	5,065	541	-	-	4,524

iii) Market Risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and commodity prices which will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market exposures within acceptable parameters, while optimizing the return.

Currency Risk

Currency risk is not material, as the Company's primary business activities are within India and does not have any exposure in foreign currency.

Interest rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to risk of changes in market interest rate is not material as the Company is having fixed rate borrowings.

The Company does not account for any fixed rate financial assets and liabilities at fair value through profit or loss. Therefore, a change in interest rate at the reporting date would not affect profit or loss.

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2026

Commodity price Risk

The Company has discontinued its methanol manufacturing activities and taken up trading activity as its major business operation. The Trading activity is being done with sole objective of sourcing its material at cheaper rate and selling the same with margin. In view thereof, the Management do not foresee any risk in this trading activity since our sale price is adequately insulated with profit margin at decent level. The sourcing price may vary depending on the prevailing market price though the same formula is applicable to the company while selling of the said product. Hence Company's exposure to risk of changes in market value of the commodity is not material.

Note 36

Capital Management

The Company manages its capital to ensure that it will be able to continue as going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance. The capital structure of the Company consists of net debt and the total equity of the Company. For this purpose, net debt is defined as total borrowings less cash and cash equivalents.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The funding requirements are met through short-term/long-term borrowings. The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

The company's net debt to equity ratio is as follows:

('000 Omitted)

	As at March 31, 2026	As at March 31, 2025

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To
The Members of
Rama Petrochemicals Limited
Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying consolidated financial statements of **Rama Petrochemicals Limited** ("the Holding Company") and its subsidiary, **Rama Capital and Fiscal Services Private Limited,** (the Holding and its subsidiary together referred as "the Group"), which comprise of the consolidated Balance Sheet as at 31st March 2026, the consolidated statement of Profit and Loss(including other comprehensive income), the consolidated statement of changes in Equity and the consolidated statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act and other accounting principles generally accepted in India,

(a) in the case of the Consolidated Balance Sheet, of the consolidated state of affairs of the Group as at March 31, 2026;

(b) in the case of the Consolidated Statement of Profit and Loss, of the Consolidated Loss for the year ended on that date;

(c) in the case of the Consolidated Statement of Changes in Equity, of the consolidated changes in equity for the year ended on that date; and

(d) in the case of the Consolidated Cash Flow Statement, of the consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion

We draw your attention to Note 10.1 wherein earlier year, the Holding Company has treated payment of Rs. 18,500 thousand towards release of collateral securities, as 'Other Financial Assets' which the company intends to adjust after release of collateral securities by all the security holders. This being not in accordance with generally accepted accounting principles. Retained Earnings and Current Assets are higher as on 31st March, 2026 by Rs 18,500 thousand.

Our opinion is modified in respect of this matter.

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the Consolidated Financial Statement.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for financial year ended 31st March 2026. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matter described below to be the key audit matters to be communicated in our report.

Key Audit Matters	Auditor's Response
Measurement of Arm's Length Price for Related Party Transactions: Related party transactions pose significant financial reporting risk due to the possibility of transactions being conducted at prices deviating from the arm's length principle. Under Ind AS, related party transactions are required to be disclosed in the consolidated financial statements, and determination of arm's length pricing for such transactions requires careful evaluation and scrutiny.	1) Evaluated the Group's process for identification of related party transactions and assessed completeness and accuracy of related party disclosures, including the nature and significance of such transactions. 2) Examined the appropriateness of pricing methodologies used for determining arm's length prices and assessed compliance with applicable Ind AS requirements and industry practices. 3) Assessed the selection and comparability of benchmark transactions considering industry, geography, and market conditions. 4) Reviewed supporting pricing documentation and assessed the effectiveness of internal controls over identification, measurement, and disclosure of related party transactions. Evaluated compliance with Ind AS 24 and relevant tax regulations, including alignment of arm's length pricing with applicable tax requirements.

Information Other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises of the information included in the Holding Company's Annual Report, but does not include the financial statements and our auditor's report thereon. The Holding Company's Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group entities' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in group are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statement in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of section 143(11) of the Act, we give in **"Annexure A"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report, to the extent applicable, that:
   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
   b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books.
   c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
   d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
   e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2026 taken on record by the Board of Directors of the Holding Company and its subsidiary company, none of the directors of the Group's companies incorporated in India is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
   f) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Holding Company and its Subsidiary company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure B"**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to consolidated financials statements.
   g) With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act, in our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration paid during the current year by the Group to its directors is in accordance with the provisions of Section 197 read with Schedule V to the Act.
   h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
      i. The Group does not have any pending litigation which would impact its financial position.
      ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
      iii. There were no dues which were required to be transferred to Investor Education and Protection Fund by the Holding Company and its subsidiary company incorporated in India.

iv. (a) The respective managements of the Holding Company and its Subsidiary has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by Holding Company or any of such Subsidiary to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company and or any of such Subsidiary ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The respective managements of the Holding Company and its Subsidiary has represented that, to the best of its knowledge and belief, no funds have been received by Holding Company or any of such Subsidiary from any persons or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such Subsidiary shall , whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of rule 11 (e), of the Companies (Audit and Auditors) Rules, 2014, of the Companies (Audit and Auditors) Rules, 2014, as provided under (iv)(a) and (iv)(b) contain any material mis-statement.

v. The Holding Company and its subsidiary has not declared or paid any dividend during the year and has not proposed any dividend for the year.

vi. Based on our examination, which includes test checks, it is observed that the Holding Company and its Subsidiary has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

ANNEXURE – 'B' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF RAMA PETROCHEMICALS LIMITED & ITS SUBSIDIARY COMPANY

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

In conjunction with our audit of the consolidated financial statements of **Rama Petrochemicals Limited** (hereinafter referred to as the "Holding Company") as of and for the year ended March 31, 2026, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Company and its Subsidiary (the Holding Company and its Subsidiary together referred to as "the Group"), which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the companies included in the Group, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company and its subsidiary's and its internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both, issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained in terms of the audit reports is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls over Financial Reporting with reference to these Consolidated Financial Statements

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company ;(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its Subsidiary, which are companies incorporated in India, have maintained in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2026

NOTE 1

A. Corporate Information

Rama Petrochemicals Limited ("the Company") is a public limited company, incorporated and domiciled in India having its registered office at Savroli Kharpada Road, Village Vashivalli, Tal. Khalapur Dist. Raigad – 410220, Maharashtra, India. The equity shares of the Company are listed on BSE Limited.

The Company, along with the subsidiary, is referred as "The Group" the parent company has discontinued its Methanol manufacturing business and taken up trading activities as major business operation. The wholly own subsidiary company is engaged in trading of various commodities, shares, securities etc.

B. Principles of Consolidation :

The Consolidated Financial Statement relate to Rama Petrochemicals Ltd. (the company) and Rama Capital & Fiscal Services Pvt. Ltd., (the Subsidiary). The Consolidated Financial Statements have been prepared on the following basis:

The financial statements of the Company and its subsidiary Company have been combined on a line by line basis by adding together the book values of like items of assets, liabilities, income and expenses after fully eliminating intra-group balances and intra-group transactions resulting in unrealized profits or losses.

The financial statements of the subsidiary used in the consolidation are drawn upto the same reporting date as that of the parent company i.e. 31st March, 2026.

The excess of cost to the Company's of its investment in the subsidiary company over the company's position of the equity of the subsidiary is recognized in the financial statement as Goodwill.

As the Company hold 100% equity in a subsidiary company, question of Non-Controlling interest does not arise. Subsidiary company is incorporated in India.

C. Material Accounting Policies

1. Basis of Preparation

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (IND AS) notified under Section 133 of the Companies Act, 2013 ("the Act") [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. The financial statements have been prepared on the historical cost basis except for certain financial assets and liabilities, which are measured at fair value.

The financial statements are presented in Indian Rupees ("INR"), which is also the company's functional currency and all values are rounded off to the nearest thousands, except when otherwise indicated.

Use of Estimates and Judgements

The preparation of the Company's financial statements with IND AS requires management to make informed judgements, reasonable assumptions and estimates that affect the amounts reported in the financial statements and notes thereto. Uncertainty about these could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in the future periods. These assumptions and estimates are reviewed periodically based on the most recently available information. Revisions to accounting estimates are recognized prospectively in the Statement of Profit & Loss in the period in which the estimates are revised and in any future periods affected.

In the assessment of the Company, the most significant effects of use of judgments and/or estimates on the amounts recognized in the financial statements relate to the following areas:

- Fair value measurements for Financial instruments;
- Useful lives of property, plant & equipment;

NOTES TO CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2026

- Estimation of net realizable value of inventories;
- Measurement of recoverable amounts of assets / cash-generating units;
- Assets and obligations relating to employee benefits;
- Provisions and Contingencies;
- Provision for doubtful receivables;
- Use of Going Concern Assumption.

2. **Revenue Recognition :**

a. Sales are made at a point in time in accordance with IND AS 115-Revenue from Contracts with Customers is recognised when goods are dispatched and the control over the goods sold is transferred to customers. The Company does not expect to have any contracts where the period between the transfer of goods and payment by customer exceeds one year. Hence, the Company does not adjust revenue for the time value of money.

b. Interest income is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accounted on accrual basis, using effective interest rate method.

c. Dividend income from investments is recognized when the right to receive the dividend is established.

d. Revenue in respect of insurance / other claims are recognized only when it is reasonably certain that the ultimate collection will be made.

3. **Property, Plant and Equipment :**

Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment, if any. The cost of property, plant and equipment includes purchase price, including freight, duties, taxes and expenses incidental to acquisition and installation. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. Property, plant and equipment are derecognized from financial statements, either on disposal or when no economic benefits are expected from its use or disposal. The gain or losses arising from disposal of property, plant and equipment are recognized in the Statement of Profit and Loss in the year of occurrence.

Subsequent expenditures

Subsequent expenditures related to an item of property, plant and equipment are added to its carrying value only when it is probable that the future economic benefits from the asset will flow to the Company and cost can be reliably measured. All other repair and maintenance costs are recognized in the Statement of Profit and Loss during the year in which they are incurred.

4. **Depreciation and amortization :**

a. Depreciation on Fixed Assets is provided on straight line method based on the useful lives of the assets as prescribed in Schedule II of the Companies Act, 2013.

b. Depreciation on addition / deletion is provided pro-rata basis with reference to the date of addition / deletion as the case may be.

c. The details of estimated life for each category of assets are as under:

Assets class	Useful life
Plant & Machinery	15 to 20 years
Buildings	5 to 60 years
Office Premises	60 years
Furniture & fixtures	10 years
Office equipment	5 years
Vehicles	8 years

Free hold land is not depreciated.

Lease hold land is amortised over the life of the lease.

Intangible Assets

Intangible assets are initially recognized at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. The amortization period and the amortization method for an intangible asset are reviewed at least at the end of each reporting period. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized. Intangible assets are amortized over its useful life of five years.

Impairment

The carrying amount of assets is reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors.

If the carrying amount of assets exceeds its estimated recoverable amount, an impairment loss is recognized in the Statement of Profit & Loss to the extent the carrying amount exceeds recoverable amount.

Lease Liabilities & Right of use assets

The Company implemented a single accounting model as per Ind AS 116, requiring lessees to recognize assets and liabilities for all leases excluding exceptions listed in the standard. The Company elected to apply exemptions to short term leases or for leases for which the underlying asset is of low value.

Right of use assets is evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of the leases. Lease liabilities are re-measured with a corresponding adjustment to the related right of use asset if the company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset shall be separately presented in the Balance Sheet and lease payments shall be classified as financing cash flows.

5. Leases:

At the inception of an arrangement, the Company determines whether the arrangement is or contains a lease and whether it is a finance lease or an operating lease. If substantially all the risks and rewards incidental to ownership of the leased asset are transferred to the Company as lessee the arrangement is treated as a finance lease otherwise it is considered as an operating lease.

As a Lessee

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. The ROU are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the incremental borrowing rates.

As a Lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease. For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

6. Cash Flow Statements :

Cash flows are reported using the indirect method prescribed in Ind AS 7 'Statement of Cash Flows', whereby profit for the year is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

7. Foreign Currency Translation :

Initial Recognition

On initial recognition, transactions in foreign currencies entered into by the Company are recorded in the functional currency (i.e. Indian Rupees), by applying to the foreign currency amount, the spot exchange rate between the functional currency and the foreign currency at the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Statement of Profit and Loss.

Measurement of foreign currency items at reporting date

Foreign currency monetary items of the Company are translated at the closing exchange rates. Non-monetary items that are measured at historical cost in a foreign currency, are translated using the exchange rate at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency, are translated using the exchange rates at the date when the fair value is measured. Exchange differences arising out of these translations are recognized in the Statement of Profit and Loss.

8. Valuation of Inventories :

a. Raw Material and work in process are valued at cost (on "first in first out basis") or net realisable value whichever is lower. Raw material and work in process are not written down below cost if the finished product in which they will be incorporated are expected at or above cost.

b. Stores & Spares are valued at cost (on “first in first out basis”).

c. Stocks in transit are valued at cost or market value whichever is lower.

d. Finished goods are valued at cost or net realizable value, whichever is lower.

e. Inventories of traded goods are valued at cost or net realizable value, whichever is lower.

f. In case of subsidiary company inventories of shares and debentures are valued at cost or market value whichever is lower on basket valuation method

9. Employee’s Benefits :

Short Term Employee Benefits

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages, short term compensated absences etc. and the expected cost of bonus, ex-gratia are recognized in the period in which the employee renders the related service.

Post employment benefits & long term employee benefits

Post employment benefits are determined using the projected unit credit method, with actuarial valuation being carried out at Balance sheet date. Actuarial gains and losses are recognised in full in the Statement of Profit and Loss for the period in which they occur.

Defined Contribution Plan

The company has Defined Contribution plans for post employment benefits namely Provident Fund. Under the provident Fund Plan, the company contributes to a Government administered provident fund on behalf of its employees.

The Company’s contributions to the above funds are charged to revenue every year.

Defined benefit plans

The liability recognized in the balance sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period. The defined benefits obligation is calculated annually by actuaries using the projected unit credit method.

The Company operates defined benefit plan for Gratuity. The cost of providing such defined benefit is determined using the projected unit credit method of actuarial valuation made at the end of the year.

Actuarial gains and losses are recognised in other comprehensive income for gratuity and recognised in the Statement of Profit & Loss for leave encashment.

Remeasurement gain and losses arising from experience adjustments, changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income (OCI). They are included in retained earnings in the statement of change in equity and in the balance sheet.

Compensated absences

Obligations on leave encashment are provided using the projected unit credit method of actuarial valuation made at the end of the year.

The Code on Social Security, 2020 ('the Code'), pertaining to employee and post-employment benefits, received Presidential assent in September 2020 and was published in the Gazette of India. The Company has complied with the provisions of the Code with respect to compensated absences upon its notification and has recognised the consequential effects in the current financial year with effect from 21st November, 2025.

10. Borrowing Cost :

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

11. Segment Reporting :

The accounting policies adopted for segment reporting are in line with the accounting policies of the company. Segment assets include all operating assets used by the business segments and consist principally of fixed assets, debtors and inventories. Segment liabilities include the operating liabilities that result from the operating activities of the business. Segment assets and liabilities that cannot be allocated between the segments are shown as part of unallocated assets and liabilities respectively. Income / Expenses relating to the enterprise as a whole and not allocable on a reasonable basis to business segments are reflected as unallocated income / expenses.

12. Fair value measurement :

The Company's accounting policies and disclosures require the measurement of fair values for financial assets and liabilities.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

- Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

13. Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments.

A. Financial Assets :

Initial recognition and measurement

The Company recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset.

Subsequent measurement

For the purpose of subsequent measurement, the financial assets are classified as under:

Financial assets at amortised cost

A financial asset is measured at the amortised cost, if both the following conditions are met:

(i) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(ii) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. Interest income from these financial assets is included in other income using the EIR in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss.

Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are classified as FVTOCI, if both of the following criteria are met :

(i) These assets are held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets; and

(ii) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Fair value movements are recognised in the other comprehensive income (OCI), except for the recognition of impairment gains or losses, interest income and foreign exchange gains or losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to Profit or Loss and recognised in other income/(loss).

Financial assets at fair value through profit or loss (FVTPL)

Financial assets that do not meet the criteria for amortized cost or FVTOCI are measured at fair value through profit or loss. A gain or loss on a instrument that is subsequently measured at fair value through profit or loss and is recognized in profit or loss and presented net in the Statement of Profit and Loss within other income in the period in which it arises.

Equity instruments

All equity instruments other than investments in subsidiaries and associates are measured at fair value. Equity instruments which are for trading are classified as FVTPL. All other equity instruments are measured at fair value through other comprehensive income (FVTOCI). The classification is made on initial recognition and is irrevocable.

Where the Company's management has elected to present fair value gains and losses on equity instruments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognized in profit and loss when the Company's right to receive payments is established.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Impairment of financial assets

The Company applies 'simplified approach' for recognition of impairment loss on financial assets for loans, deposits and trade receivables.

The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime Expected Credit Loss at each reporting date, right from its initial recognition.

De-recognition

A financial asset is derecognized when:

(i) the rights to receive cash flows from the assets have expired or

(ii) the Company has transferred substantially all the risk and rewards of the asset, or

(iii) the Company has neither transferred nor retained substantially all the risk and rewards of the asset, but has transferred control of the asset.

B. Financial Liabilities :

Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction cost.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. For trade and other payables maturing within operating cycle, the carrying amounts approximate the fair value due to short maturity of these instruments.

Loans and borrowings

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using Effective Interest Rate (EIR) method. Gain and losses are recognized in the Statement of Profit and Loss when the liabilities are derecognized.

Amortised cost is calculated by taking into account any discount or premium on acquisition and transaction costs. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

De-recognition

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount is reflected in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

14. Taxes :

The tax expense comprises current and deferred tax. Tax is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity or in OCI.

a) Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantially enacted at the reporting date.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

b) Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities for financial reporting purpose and the amount used for taxation purposes.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized. The carrying amount of deferred tax asset is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

15. Earnings per share :

The Company reports basic and diluted earnings per share (EPS) in accordance with IND AS-33 on earnings per share. Basic EPS is computed by dividing the net profit or loss for the year by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss for the year by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, except where the results are anti-dilutive.

16. Cash and Cash Equivalents :

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand, demand deposit and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

17. Current and non-current classification :

Assets and Liabilities in the balance sheet have been classified as either current or non-current. An asset has been classified as current if (a) it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle; or (b) it is held primarily for the purpose of being traded; or (c) it is expected to be realized within twelve months after the reporting date; or (d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date. All other assets have been classified as non-current. A liability has been classified as current when (a) it is expected to be settled in the Company's normal operating cycle;or (b) it is held primarily for the purpose of being traded; or (c) it is due to be settled within twelve months after the reporting date; or (d) the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. All other liabilities have been classified as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities. An operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents.

18. Impairment of Non-Financial Assets :

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is the higher of an asset's or cash generating unit's (CGU) fair value less costs of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. If such recoverable amount of the asset or cash generating unit is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If at the Balance Sheet date there is any indication that any impairment loss recognized for an asset in prior years may no longer exist or may have decreased, the recoverable amount is reassessed and such reversal of impairment loss is recognized in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

19. Provisions :

A provision is recognized when the company has a present obligation as a result of past events and it is probable that there will be an outflow of resources to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

20. Contingent Liabilities and Contingent Assets:

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate

A contingent asset is generally neither recognized nor disclosed in financial statements.

9.1 In the earlier years, the Company had given a Corporate Guarantee and also mortgaged on first pari-passu charge basis its immovable properties (collateral securities) in favour of financial institutions and banks to secure term loans sanctioned to the denim Division of the Company. The Denim division was demerged in 1999-2000.The said Loans were assigned by the financial institutions and banks to Asset Care and Reconstruction Enterprise Ltd (ACRE) and Edelweiss Asset Reconstruction Company Ltd (EARC). In earlier year the Company has paid Rs. 18,500 thousands to Edelweiss Asset Reconstruction Company Ltd. for release of its claim on the collateral securities. The management has taken a view that since this payment is made towards the release of collateral securities by EARC only and the collateral securities shall continue in favor of the body corporate to whom ACRE has assigned the loans and hence the payment of Rs. 18,500 thousands is shown as 'Other Financials Assets' under Current Assets.

Delta impact of -1% change in rate of employee turnover	**(49)**	(19)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Characteristics of defined benefit plan

The Company has a defined benefit gratuity plan (unfunded).

Risks associated with defined benefit plan

Gratuity is a defined benefit plan and company is exposed to the Following Risks:

Interest rate risk: A fall in the discount rate which is linked to the government security rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Company has to manage pay-out based on pay as you go basis from own funds.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Characteristics of defined benefit plans

The Company has considered the ceiling limit for payment of gratuity as per the provision of payment of Gratuity Act, 1972.

In case of subsidiary company, provision for leave encashment and gratuity is not required as the company does not have any employee as on 31st March, 2026

b. Fair value hierarchy and Method of valuation

Since there is no investments hierarchy table not given.

c. Risk management framework

The Company's principal financial liabilities include borrowing, trade and other payables. The Company's principal financial assets include loans, trade receivable, cash and cash equivalents and others. The Company also holds FVTOCI investments. The Company is exposed to credit risk, liquidity risk and market risk. The Company's senior management oversees the management of these risks. The Company's senior management provides assurance that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

d. Financial Risk Management

The Company has exposure to the following risks arising from financial instruments :

i) Credit Risk

ii) Liquidity Risk

iii) Market Risk

i) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, investment in inter corporate deposit and loans given.

The carrying amount of following financial assets represents the maximum credit exposure :

Trade receivable

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. No impairment is observed on the carrying value of trade receivables.

Other financial assets

Credit risk from balances with banks, loans, investments is managed by Company's finance department. Investments of surplus funds are made only with approved counterparties. No impairment on such investment has been recognised as on the reporting date.

ii) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed condition, without incurring unacceptable losses or risking damage to the Company's reputation.

The Management monitors rolling forecasts of the Company's liquidity position on the basis of expected cashflows. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of surplus funds, bank loans and inter-corporate loans.

Exposure to Liquidity Risk

The following are the remaining contractual maturities of financial liabilities at the reporting date.

iii) Market Risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and commodity prices which will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market exposures within acceptable parameters, while optimising the return.

Currency Risk

Currency risk is not material, as the Company's primary business activities are within India and does not have any exposure in foreign currency.

Interest rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to risk of changes in market interest rate is not material as the Company is having fixed rate borrowings.

The Company does not account for any fixed rate financial assets and liabilities at fair value through profit or loss. Therefore, a change in interest rate at the reporting date would not affect profit or loss.

Commodity price Risk

The Company has discontinued its methanol manufacturing activities and taken up trading activity as its major business operation. The Trading activity is being done with sole objective of sourcing its material at cheaper rate and selling the same with margin. In view thereof, the Management do not foresee any risk in this trading activity since our sale price is adequately insulated with profit margin at decent level. The sourcing price may vary depending on the prevailing market price though the same formula is applicable to the company while selling of the said product. Hence Company's exposure to risk of changes in market value of the commodity is not material.

Note 35

Capital Management

The Company manages its capital to ensure that it will be able to continue as going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance. The capital structure of the Company consists of net debt and the total equity of the Company. For this purpose, net debt is defined as total borrowings less cash and cash equivalents.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The funding requirements are met through short-term/long-term borrowings. The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

The company's net debt to equity ratio is as follows :
